Timeless Classics Among Films Featured in Heritage Auctions' Vintage Posters Auction

Title lobby card for The Golem makes just second auction appearance

DALLAS, Texas (July 15, 2019) — A rare title lobby card from the first true sound horror film that had long-lasting significance in the Universal Horror series is expected to be among the top draws in Heritage Auctions' [Movie Posters Auction](#) July 27-28 in Dallas, Texas.

"This auction includes very rare paper, some of which comes from some of the most popular films of all time, like *Dracula*, *Casablanca* and *Gone with the Wind*," Heritage Auctions Vintage Posters Director Grey Smith said.

"This is an auction with appealing options for many collectors, because of the diversity of the lots offered."

[Dracula \(Universal, 1931\)](#) [Title Lobby](#)

[Card](#) (estimate: \$40,000-80,000) captures a dramatic image from Bram Stoker's gothic thriller that is the definitive vampire film. Despite the financial challenges faced during the [Depression](#), Carl Laemmle, Jr., bought the rights to the novel and the Broadway play in which Bela Lugosi was the star. Lugosi assumed the same role in the film version, solidifying his legacy as the ultimate Count Dracula. A potential centerpiece for any [collection](#), this beautiful lobby card rarely is offered at auction.

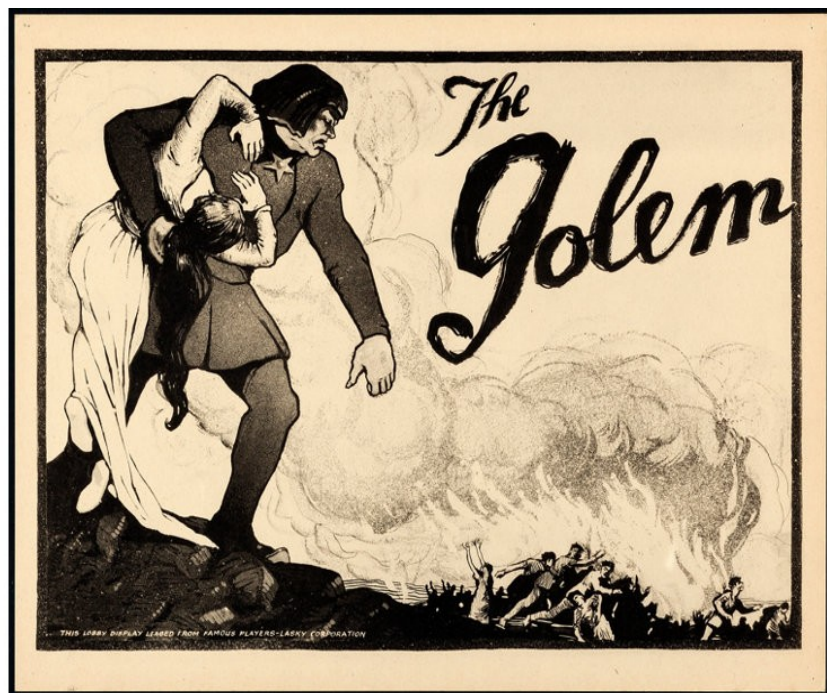

Imaged by Heritage Auctions, HA.com

[Gone with the Wind \(MGM, 1939\) three sheet](#) (estimate: \$20,000-40,000) is a stunning rarity, one of only two copies known to remain in existence, from the film that earned a trove of Oscars that included awards for Best Picture, Best Actress, Best Director, Best Screenplay and Supporting Actress. Arguably the best image created out of all five styles of the three sheets offered by [MGM](#), it is among the rarest and in highest demand among classic collectors. This auction will be the first in which Heritage Auctions has offered this gem from the Theaters of Old Detroit Collection.

Imaged by Heritage Auctions, HA.com

[The Golem \(Paramount, 1920\) CGC Graded Title Lobby Card](#) (estimate: \$20,000-40,000) spotlights another monumental horror film that is considered a landmark of early German Impressionism. This lobby card is extremely rare, and in exceptional condition. Showing the Golem (clay monster) created by a rabbi to save Prague from the Emperor's order of expulsion, the card is one of a very small number known to exist and just the second title card from the film offered at auction.

A [Foolish Wives \(Universal, 1922\) One Sheet](#) (estimate: \$20,000-40,000) shines a light on a film that was one of Universal's most successful at the time of its release, but one that was made at a staggering cost of more than \$1 million. The only known copy of this stone lithograph, featuring star and director Erich von Stroheim, was sold originally in 1995 and is being offered by Heritage Auctions for the first time.

An insert for [The Hunchback of Notre Dame \(Universal, 1923\)](#) (estimate: \$15,000-30,000) is one of only three copies known to exist and is offered by Heritage Auctions for the first time. The insert shows the role that made Lon Chaney a star: Victor Hugo's hunchback, Quasimodo. The film, which helped set the standard for later horror films, was one of the top grossing silent films of all time, and helped to bring Universal Studios into the spotlight.

A one sheet for [The 39 Steps \(Gaumont-Fox, 1935\)](#) (estimate: \$10,000-20,000) highlights one of director Alfred Hitchcock's first major international successes, and features many of the stylistic and thematic elements that later became integral parts of his later work.

Two lots from one of the most popular movies ever made are featured in the sale. [Casablanca \(Warner Brothers, 1942\) Window Card](#) and [Casablanca \(Warner Brothers, 1944\) Australian One Sheet](#), each with a pre-auction estimate of \$10,000-20,000, were made for the classic on which shooting started before the script was complete. Paper for this film, which won three Academy Awards, including Best Picture and Best Director, is extremely scarce and in high demand among collectors.

Other top lots include, but are not limited to:

[Dracula \(Universal, 1931\) Lobby Card](#) (estimate: \$25,000-50,000)

[Mickey Mouse in Alpine Climbers \(United Artists, 1936\). Fine- on Paper. Silk Screen Poster](#) (estimate: \$10,000-20,000)

Movie Poster Auction August 23, 2019

Ewbank's will be presenting its [Movie Poster Auction](#) on August 23rd at 12:00 p.m. The auction will feature some great posters including Star Wars Marler Haley and Hildebrandt to name a few. Here are some samples:

Star Wars (1977) British Quad film poster, rare poster with artwork by Tim & Greg Hildebrandt, 20th Century Fox, rolled, 30 x 40 inches. This rare version of the UK Quad poster was designed by the Hildebrandt brothers, and was issued when the film was initially released in the UK. Star Wars (1977) British Quad film poster, Pre Academy Awards, Style C, directed by George Lucas, artwork by Tom Chantrell, folded, 30 x 40 inches

Star Wars Return of The Jedi (1983) An early teaser British Quad film poster when it was named 'Revenge of The Jedi', rolled, 30 x 40 inches

Star Wars A New Hope (1977) Marler Haley set of four UK Double Crown cinema posters, one of the rarest Star Wars sets in existence today, These were issued to Odeon cinemas by Marler Haley to help promote the release of the film, rolled, 20 x 30 inches.

September Major Auction - Consignment Deadline August 2nd

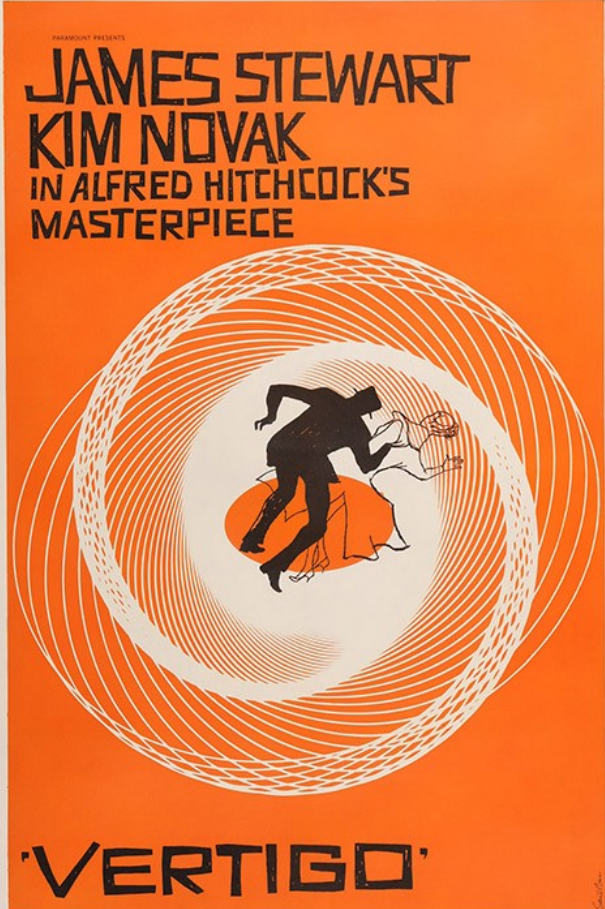

Given the many incredible results in our **June Major Auction**, doesn't it make sense to consign your quality items to our **September Major Auction** so they can get to auction soon, when you **KNOW** we have so many wonderful bidders paying high prices for real rarities?

We use our earliest consignments in our preview ads (like the ones here), one more reason to consign **NOW**, rather than wait for the deadline (and although August 2nd may **SEEM** far away, it is really just two weeks from now, and these deadlines have a way of getting here before you know it!).

CONSIGN TO OUR SEPTEMBER MAJOR AUCTION

You only have until August 2nd to get your consignments to us! Given our wonderful June Major results, doesn't it make sense to consign?

20th Annual Halloween Auction and December Major Auction

Even though most consignors are sending their linenbacked and very desirable unbacked items for our September Major Auction, there are a few who are asking us if they are already sending items for either our 20th Annual Halloween Auction and/or our December Major Auctions, and the answer to that is "Yes"!

Now personally, I think it makes more sense to put those items in our September Major Auction, because I have seen over and over (over the past 30 solid years of auctioning) that **WHICH** major auction you are in usually seems to make no difference at all.

But there are two reasons why your linenbacked and very desirable unbacked items make more sense for September, rather than December or Halloween.

One is that right now, we have many wonderful bidders paying high prices for real rarities (as our June Major Auction proved), and doesn't it make sense to have your items auctioned in six weeks (rather than four or six months), especially since that means you will get your proceeds that much sooner?

The other is that if you ask us to hold an item of yours until Halloween or December, it is always quite possible (depending on the item, of course) that we will receive another example of that item soon, and then that item would auction in September ahead of yours, and wouldn't you rather it is your item that auctions first?

But the choice is completely yours! We will auction your items in whichever Major Auction you want them in, assuming of course they qualify as far as value and rarity goes!

Star Wars section of December Major Auction

We will have a **special Star Wars section in our December Major Auction** (right before the next Star Wars movie opens on December 19th and 20th). [Part IV](#) of our June Major Auction was also only Star Wars, and that auction had really wonderful results, with many records set (see all the [Part IV Results](#)).

EMOVIEPOSTER.COM

ALL STAR WARS AUCTION

Heroes

1 Han Solo, a mercenary, is a man who would fight for any side as long as they pay him. The right guy to have with you in a tough situation.

2 Luke Skywalker (Mark Hamill), Princess Leia (Carrie Fisher) and Han Solo (Harrison Ford) together they make an indomitable team.

3 Artoo Detoo (R2D2) and Chewbacca (C3PO) the loyal and Hardy of the space lanes. Artoo and Chewbacca never leave each other's side and are the best of friends.

4 Ben Kenobi (Viggo Mortensen), a wise old Jedi who has many and clear in the galaxy. One of the greatest mentors of the Jedi Order - fighting for honour and liberty.

Pilots of the rebel alliance prepare for their attack on Death Star, the Imperial Battle Station.

The lovely Princess Leia Organa looks very young and innocent but her pretty face is deceptive. The Princess is, in fact, a Senator from the Planet Alderaan and a rebel leader working secretly for freedom and justice against the oppressive, evil Galactic Empire.

In long time ago in a galaxy far, far away an incredible adventure took place. STAR WARS is that story.

An epic of heroes, rebels and villains, it's a big sparkling space saga of rebellion and romance. A spectacle light years ahead of its time that's eclipsing box office records all over our planet.

Villains

1 Grand Moff Tarkin looks what he is, an old distant Governor of the Galactic Empire. He is a man driven by thoughts of power and domination.

2 Darth Vader is the ultimate villain of the Star Wars Universe. The most feared Dark Lord of the Sith is the wicked and powerful incarnation of Governor Tarkin.

3 One of the deadliest, an Intendant of the Planet Tatooine, he is a man of all costs.

4 Imperial Stormtrooper, backbone of the Galactic Empire. He is a man of all costs.

Luke and Princess Leia endeavour to escape from the Death Star Battle-Station. Will they make it?

ADVENTURE

OUR DECEMBER MAJOR AUCTION HAS AN ALL STAR WARS SECTION!

Our June Major Auction had a special Star Wars section that had many record setting results. We will be including another all Star Wars section in our December Major Auction which will be right before the next Star Wars movie is released! If **YOU** have any **RARE** Star Wars posters (or related items) that you would like to possibly have included in this very special auction, contact us today and tell us what you have. We will tell you if we already have been consigned it, and whether it qualifies for this auction. Don't delay, contact us today with what you have!

However, we have already been consigned a really excellent collection from a very long time collector (just as we were with our June Major Auction), and that collector's items will all be in the auction. Since they include a wide range of posters, including many of the best ones, that means that we are only looking for Star Wars posters (and related items) that he did not already have.

You might say, "How can I know which posters you already have?", and I wish I could tell you that we already have an exact list of what we have been consigned. However, this is a very large collection of hundreds of items, and while we have entered a number of them, there are still ones remaining to be entered. That process will surely take another week or two, so you can either wait until we post an online list, or you can email us **NOW**, and tell us what you have, and then we can tell you if we already have it or not.

HOWEVER, THERE IS A GREAT ADVANTAGE TO NOT WAITING! THIS IS BECAUSE IF YOU WAIT, SOMEONE ELSE MIGHT CONSIGN THEIR EXAMPLE OF THE SAME POSTER, AND WE ALWAYS TAKE THE FIRST ONE WE RECEIVE. SO I APOLOGIZE FOR NOT HAVING A LIST, BUT IF YOU HAVE ANY "BETTER" STAR WARS POSTERS, AND ARE WILLING TO CONSIGN THEM, THEN CONTACT US TODAY!

We would most like the really rare sizes (like 6-sheets, 7-sheets, 24-sheets, 40x60s, 30x40s, etc), and also the rare posters from other countries. For example, we would love to have the Hong Kong style C, the UK double crown sets from Empire Strikes Back, the rare German posters (including the blue Luke on TaunTaun), or any other ultra-rare non-U.S. posters, all of which we would love to have for this special auction! This auction **DOES** include the five British "Marler Haley" Star Wars posters pictured above, and there are also a number of other very rare Star Wars posters as well, but we want to add more to it, so that it can be our best all Star Wars auction ever.

BUT IF YOU HAVE ANY TOP ITEMS, THEN CONTACT US IMMEDIATELY!

Given the recent prices we received for top Star Wars posters in our June Major Auction (and given that they seem to have a long way yet to rise before they approach the prices of similar super-popular items in other collectible fields) **we may well see more record prices in this special auction**, so if you have top Star Wars posters you have considered selling, **doesn't it make sense to consign them now to this very special auction?**

You can see all the [June Major Auction Star Wars results here:http://www.emovieposter.com/agallery/date/2019-06-16/sort/4/archive.html](http://www.emovieposter.com/agallery/date/2019-06-16/sort/4/archive.html)

ART THAT POPS!

## THE NEW 2019 SUMMER POSTER COLLECTION IS [HERE](#)

[You can go straight to the BLOG here](#)

Dear posterophiles,

The **BLOG** is back after a much deserved rest.

With posters from our [Airlines-Travel section](#) being some of our most constant in demand items, it makes sense to focus the Blog on one of the most famous airline companies.

When Airlines posters are mentioned, the [PAN AM](#) name comes first. Indeed the iconic (and sadly defunct) airline company Pan American Airways was created in 1927 and flew all around the world until 1991 when it went bankrupt with its various assets sold to multiple companies (Delta, United Airlines....).

Known as "The World's Most Experienced Airlines" from the mid 50's till the early 70's, the Pan Am blue circle logo was one of the most iconic brand logos in the world and throned proudly above the headquarters of the company on Park Avenue in New York. It is therefore easy to understand why Steven Spielberg' used the branding of the company so effectively in the airlines-fraud thriller, *Catch Me If You Can*, embodying the *jet age* in the most colorful way.

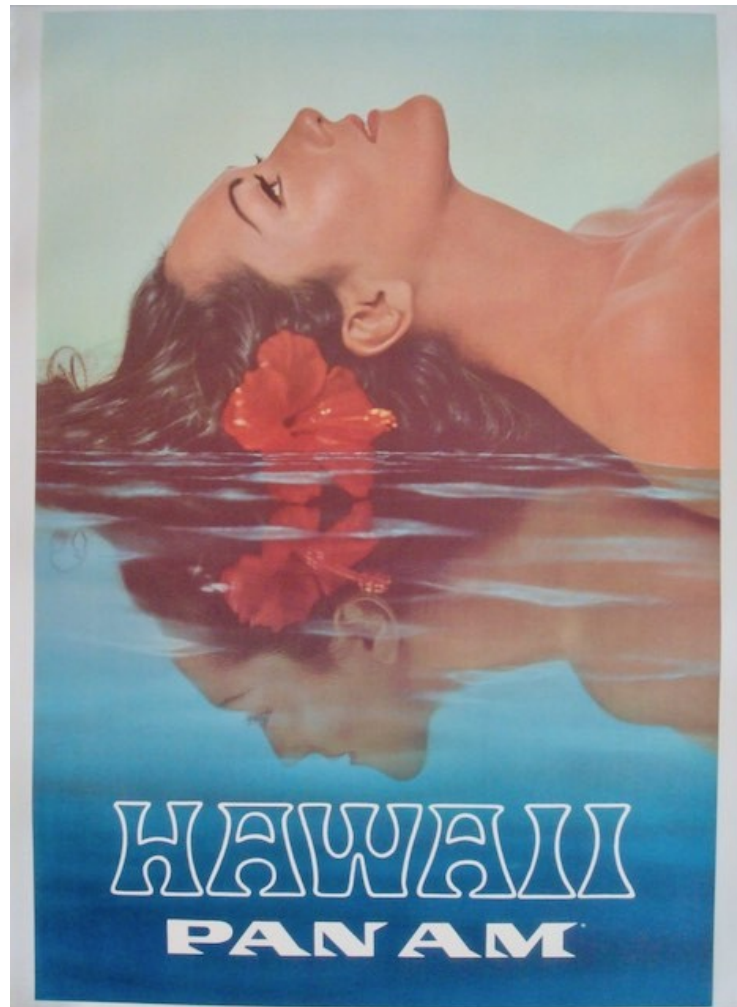

Advertising posters from Airline companies are numerous yet they are most impressive when seen in series produced with all the various destinations flown around the world.

As far as graphics and visuals are concerned, Pan Am topped the field with some of the most incredibly sexy visuals created especially between the mid 50's till the mid 80's

**THIS WEEK'S BLOG** [\(click here\)](#) gathers tens of fabulous posters and calendars from Pan Am printed between 1952 and 1985 and presented thematically in 10 entries.

Here's just one them with the sublime image created for the [1969 campaign advertising flights to Hawaii](#).

## WHAT'S NEW THIS WEEK?

\* **NEW ITEMS:** The **2019 SPRING COLLECTION**, strong of 355 posters is available in the [NEW PRODUCTS section](#). Here is a random selection of 20 posters.

We are so proud the US female team won the World Cup but even I as a European born football (soccer for those who don't wish to use the one and only appropriate term for this sport) lover regrets that there are no cheerleaders on the field to add extra entertainment as there is in every US Football game. Enjoy the now iconic poster for the Italian release of the 1973 US sex sports comedy [The Cheerleaders](#).

French actress [Mireille Darc](#) embodies the Sixties' French Mod elegance as shown on the Japanese poster for the 1966 romantic drama, [Galia](#).

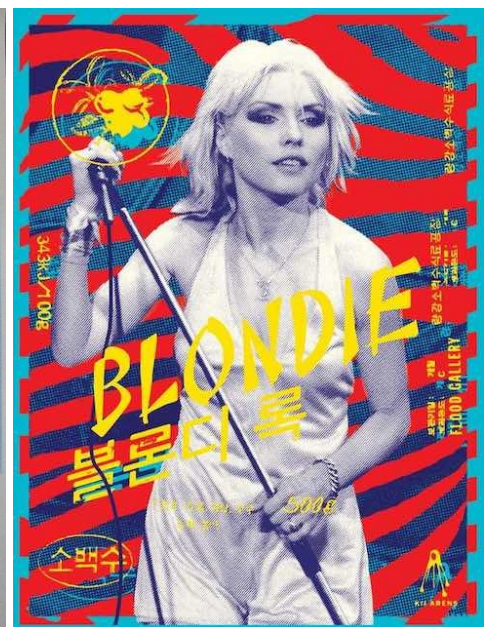

We may be in Summer but Paris, the most beautiful city on earth, should be enjoyed all year long. Here is a fantastic vintage 1960 poster for [Air France](#) advertising spending Spring In Paris.

Among the many rarities offered is the complete set of 8 Italian fotobusta posters printed for the original release of [Flash Gordon](#).

We adore [Audrey Hepburn](#) with many new posters of hers in the Summer Collection including this magnificent Polish poster of [My Fair Lady](#) created in 2010 by Michal Ksiazek.

A fabulous colorful limited edition print (signed) by [Kii Arens](#) featuring a vivid portrait of [Blondie's Debbie Harry](#).

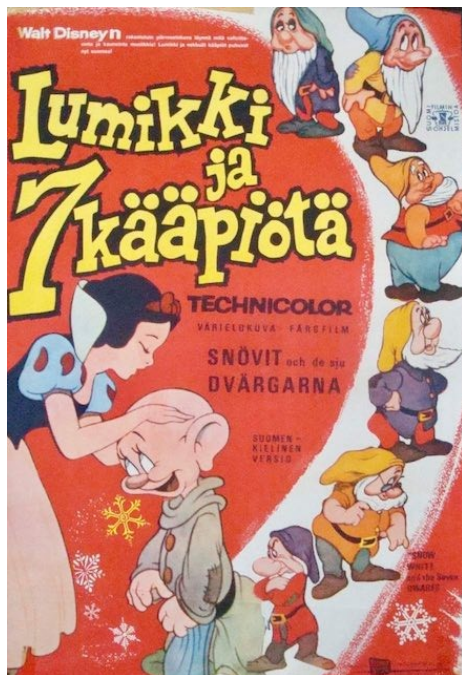

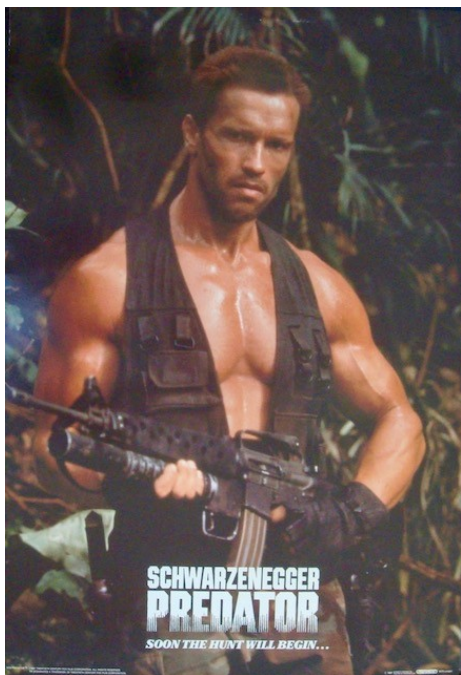

A fantastic image of [Arnold Schwarzenegger](#) for this rare vintage 1987 commercial poster printed (in English) in Germany for the release of [Predator](#).

A kiss is all we need! Enjoy this adorable colorful image printed for the 1962 Finnish rerelease of Disney's classic, [Snow White and The Seven Dwarfs](#).

The new [Spiderman](#) movie is out so let's reminisce the original Peter Parker with this (now hard to find) greeting card from the 1971 [Marvel Third Eye blacklight series](#).

A brand new fantastic limited edition by [Matt Ferguson](#) with glow in the dark inks (see effects in second image) printed to pay tribute to [E.T. The Extra-Terrestrial](#).

[This iconic Star Wars painting](#) by [Noriyoshi Ohrai](#) was only available as a folded small sized poster in a 1978 Japanese book devoted to the Art Of Star Wars. The image is one of George Luca's favorite and was then printed only once in Germany as a larger rolled poster in 1996.

[Raquel Welch](#) barely wore more than a bikini in her breakthrough movie, [One Million Years B.C.](#), the 1966 Fantasy movie produced by Hammer Films. Here is the rare original French poster.

With the unusual recrudescence of great white sharks sightings on the US northern east coast, [Steven Spielberg](#)'s 1975 summer blockbuster, [Jaws](#), was more than prescient. Here is the very rare complete set of 8 Italian fotobusta posters.

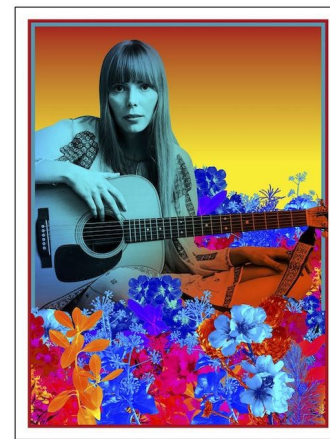

Rather than *needing a bigger boat*, let's get a better car with this vintage large 1963 Swiss poster for the [Simca 1000](#).

One of the many superb Pinky posters present in the Summer collection is the one for [Hidden Ritual Of The Geisha](#), the 1968 Japanese sexploitation movie directed by one of the masters of the genre, [Shinya Yamamoto](#).

[Senta Berger](#) is one of the sexiest actresses of the Sixties and her smile and physique are clearly enhanced on the painting for the Italian release of the 1966 German heist comedy, [Long Legs Long Fingers](#).

[Joni Mitchell](#) certainly has long fingers too making her one of the most underrated guitar players on top of one of the best ever singers-songwriters. Here she is on a magnificent hand numbered and signed limited edition print.

Among the many great images that [Bob Peak](#) designed gracing movie posters, the painting for the 1975 thriller, [The Yakuza](#) certainly stands as one of his best as shown on the vintage style A Japanese poster.

And we leave you enjoying the last day of the weekend with a very colorful poster designed by [George Akimoto](#) to advertise [McDonnell Douglas DC-10](#). The poster is already linen backed.

\* **SALES:** All our ON SALE posters are [here](#).

\* **PINTEREST:** You can all check all our thematic presentations [on our Pinterest boards here](#).

\* Should you wish to be removed from this distribution list, please unsubscribe below or let me know by return

\* The Blog archives are now accessible directly [here](#)

\* Any questions, just ask as it doesn't cost you to!

\* Till we reconnect in 2 weeks for the Blog #315, have a serene weekend and enjoy browsing the **SUMMER Collection**.

# LOOKING FOR AN EASY AND INEXPENSIVE WAY TO SELL YOUR EXTRA POSTERS?

## TRY VINTAGE MOVIE POSTER AUCTION GROUP

Several weeks ago, Ed and I listed some posters for auction on the new [Vintage Movie Poster Auction Group](#) page and we were delighted with the results. Listing was easy, quick and the best part is there are no fees whatsoever.

This auction alternative is great for collectors and dealers who are interested in buying and selling in a more informal environment. It reminded us of the days when we would acquire our posters from poster shops around the country -- it has a more personal feel.

We currently have some "lots of 3" posters that will be listed for a 72 hour auction, ending on Monday. These include the following lots:

Lot of 3 Ladies action posters

Lot of 3 Action movie posters

Lot of 3 Horror-Sci/fi Posters

Bidding is also very easy. Once you sign up, you simply put your bid in the comment line. Once an auction ends, communication between buyer and seller is done through instant messaging. Click on the image below to sign up.

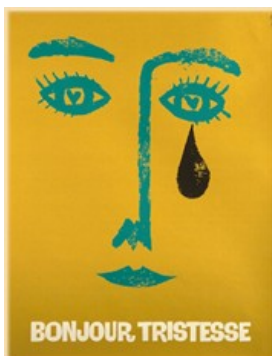

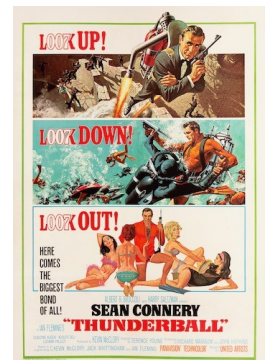

## Elvis, Marilyn, John Carpenter's **THE THING**, **The Dude**, **THUNDERBALL** and 100+ new acquisitions

Dear Friends & Movie Lovers:

Hello from Hollywood, where we're getting a jump start on July. Poster highlights this month include lots of John Carpenter, including this great English 1 Sheet for his 1982 film **THE THING**. Like much of Carpenter's work (**HALLOWEEN**, **ESCAPE FROM NEW YORK**) this film's reputation and popularity have grown significantly over the past few years.

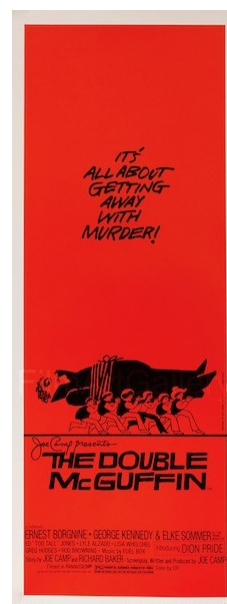

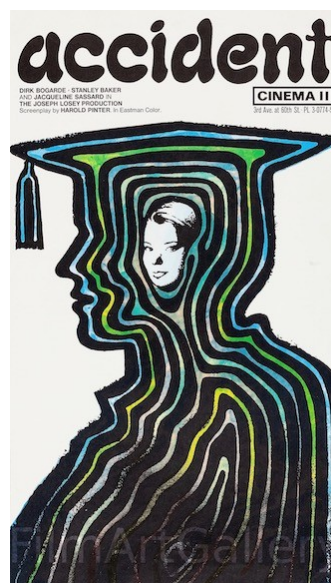

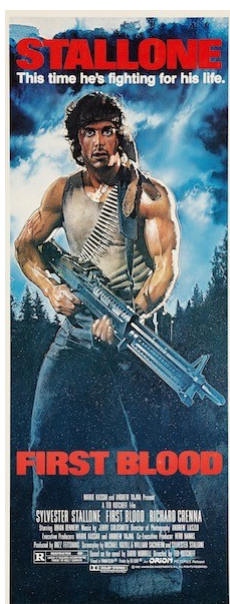

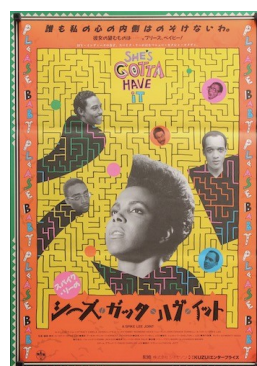

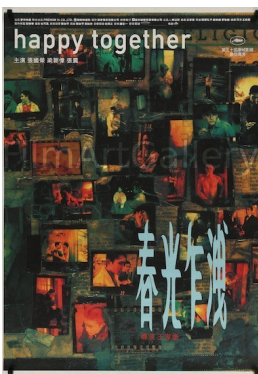

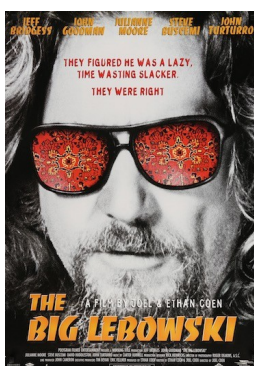

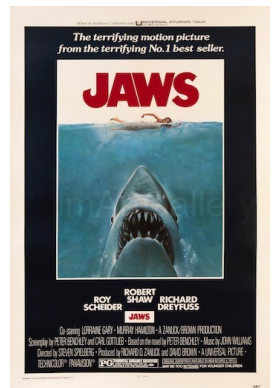

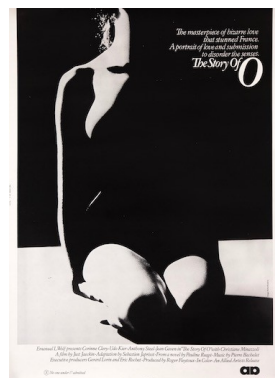

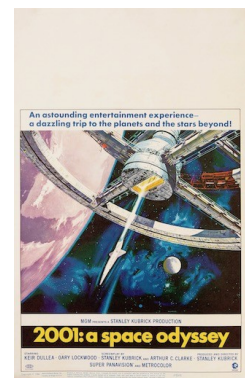

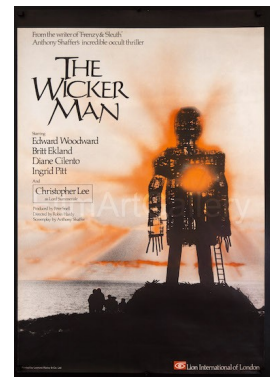

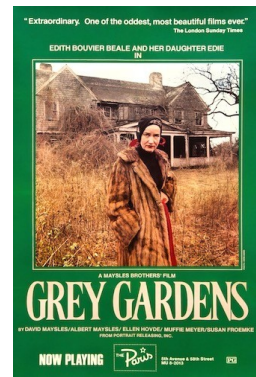

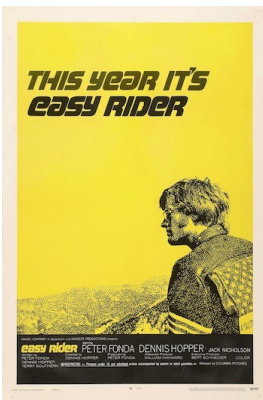

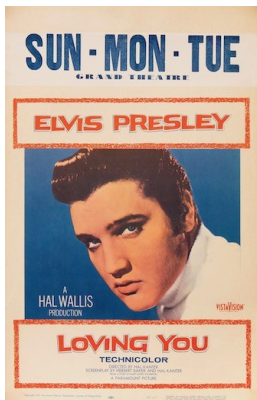

We've got 1 Sheets for **THUNDERBALL**, **GREY GARDENS**, **EASY RIDER**, **JAWS**, **THE WICKER MAN** (English) and **NASHVILLE** (advance/foil style); Window Cards for **2001: A SPACE ODYSSEY** and Elvis Presley in **LOVING YOU**, a rare Japanese STB (2 Panel) for the 1963 documentary **MARILYN**, plus **HAPPY TOGETHER**, **THE BIG LEBOWSKI**, **A WOMAN UNDER THE INFLUENCE**, **HONKY**, **A HIPPIY VAMPIRE** and more fun stuff, right [here](#) .

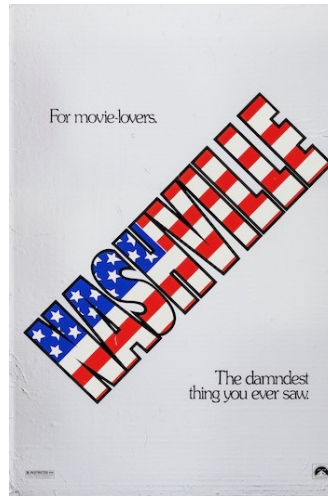

We're also continuing to release new items from the Saul Bass Archive, like this stunning silk screen for **BONJOUR TRISTESSE**, as well as an **ultra-rare test poster** for **SCHINDLER'S LIST**, with artwork that's completely different from Saul's "**barbed wire**" poster for the film. # Introducing the Columbus Moving Picture Show

During this year's Cinevent Classic Film Convention, convention chair Michael Haynes and Dealers' Room coordinator Samantha Glasser announced that the Cinevent name will be retiring at the end of the 2020 show and Michael will be stepping aside at that time.

## It's Alive! Classic Horror and Sci-Fi Art from the Kirk Hammett Collection OPEN NOW

On July 13, the **Royal Ontario Museum (ROM)** unveils the Canadian-exclusive presentation of ***It's Alive! Classic Horror and Sci-Fi Art from the Kirk Hammett Collection***, with presenting sponsor *Cosmo Music*. This otherworldly and imaginative exhibition features a trove of rare artwork and collectible objects amassed over decades by consummate collector Kirk Hammett, lead guitarist of Metallica. Exploring the interplay of creativity, emotion and popular culture, the exhibition includes more than 100 pieces from 20<sup>th</sup>-century cinema ranging from *The Cabinet of Dr. Caligari* (1921) to *Alien* (1979). *It's Alive! Classic Horror and Sci-Fi Art from the Kirk Hammett Collection* is organized by the Peabody Essex Museum, Salem, Massachusetts, and is on view July 13, 2019 through January 5, 2020.

"Horror and sci-fi are among the most versatile, dynamic and enduring genres of cinema," says Josh Basseches, ROM Director & CEO. "Acting as a mirror for societal fears, these films and the accompanying artwork reflect the collective cultural anxieties of the time. This evocative exhibition deepens our understanding of the evolution of cinema art and its relationship to culture."

***It's Alive! Classic Horror and Sci-Fi Art from the Kirk Hammett Art Collection*** features rare cinema posters from the 1920s to 1980—including the only surviving copy of the original 1931 *Frankenstein* poster—as well as one-of-a-kind electric guitars from Kirk Hammett's personal collection and authentic movie costumes with life-size mannequins. The exhibition traces how, decade by decade, horror and sci-fi cinema responded to a number of broad cultural events and developments. Each section of the exhibition uses poster art to convey underlying anxieties of particular eras, including the fear of mortality around the Great Depression of the 1930s; scientific progress in the mid-20<sup>th</sup> century; the fear of invasion and espionage post-1945; and the rise of feminism in the 1960s.

"Like the films they promote, these pieces are important metaphors for the issues of the times in which they were created," says Arlene Gehmacher, ROM Curator of Canadian Paintings, Prints & Drawings. "Some of the posters are riveting. They can provoke, excite, and enthrall, reflecting but also shaping the visible and psychological fears of an individual, community, or nation."

"Like the films they promote, these pieces are important metaphors for the issues of the times in which they were created," says Arlene Gehmacher, ROM Curator of Canadian Paintings, Prints & Drawings. "Some of the posters are riveting. They can provoke, excite, and enthrall, reflecting but also shaping the visible and psychological fears of an individual, community, or nation."

Kirk Hammett has dedicated the last three decades to creating one of the world's most important cinema-art collections and credits it as a primary source of inspiration for his own musical creativity.

"I got into the business of collecting horror, which is really not a business at all, a long time ago. I think it's become my midnight calling or maybe my lifetime obsession. I guess some would say obsession, some may say occupation and others would say it's just plain insanity," says Kirk Hammett. "It is very exciting for me to have Toronto be the second stop on our quest to bring my collection to everyone who is genuinely interested in these horror movie posters, props, and memorabilia. Canada is a great country, Toronto is an amazing city, and I'm honored to be able to [start](#) crossing borders with my collection at the Royal Ontario Museum."

"We'd be lying if we said that we didn't scream in excitement when this opportunity was presented to us. Working with the ROM has been nothing short of incredible, and we're so excited for *It's Alive* to open in July. What a perfect exhibition to align with our brand," says Vanessa Azzoli, Marketing Manager, Cosmo Music.

The ROM will host a special ROM Speaks event on July 23 with Kirk Hammett and Dan Finamore, the Russell W. Knight Curator of Maritime Art and History at the Peabody Essex Museum. Tickets will go on sale beginning May 21 and range in price from \$15 to \$20.

*It's Alive! Classic Horror and Sci-Fi Art from the Kirk Hammett Collection* is a separately ticketed exhibition.
