EWBANK'S W.E. BERRY ORIGINAL POSTER ARTWORK UNRESERVED AUCTION - FEBRUARY 28th

[Ewbank's The Surrey Auction House](#) will present their W. E. Berry Original Poster Artwork Unreserved Auction on February 28, 2020 at 12:00 p.m.

W. E. Berry Ltd. originally opened at 13 Currer Street, Bradford by William Berry in 1888 in Bradford. In the early 1900s, his son, William Edward Berry took over and after a split from his father's business partner, he changed the name of the company.

W.E. was introduced to Fred Martin of Paramount and the pair started a business relationship that cemented W. E. Berry's position as one of the leading producers and distributors of film posters. Berry's printed most and distributed all of Paramount's posters, but Berry's also produced posters in the early period for the railway companies and for Bertram Mills Circus.

This auction has some incredible items up for grabs, including these Bertrum Mills posters. There are lots of vintage circus posters in the auction, which are attracting a great deal of interest.

MOVIEART NOW AVAILABLE

Original *Narrow Margin*, The (1952) Three Sheet - \$720.00

Original RKO U.S. Three-Sheet Poster for the Richard Fleischer directed film noir *THE NARROW MARGIN* (1952) starring Marie Windsor, Charles McGraw, and Jacqueline White. The film also features Don Beddoe, Harry Harvey, Gordon Gebert, Donald Dillaway and Franklyn Farnum. One of the gritty film noirs for which RKO became respected. It all takes place on a train. A police detective plays a deadly game of cat and mouse to protect the widow of a slain gangster about to testify in a trial. A group of mobsters on the same train is out to kill her. This is the simple premise upon which one of the truly tense movies of the noir canon is built. The three sheet we offer here is quite rare in this format. One sheet poster have been offered regularly, but not this oversized poster. Three sheet posters are large-format posters which are printed on two separate panels. These panels are joined together to present as one poster. This poster was clearly used in a theater and it is worn. Color is good, but there is some fold separation in one area. While the poster can be stored as it, we recommend linen-backing for this poster if you wish to display it. MovieArt Original Film Posters in Austin, Texas guarantees that this poster is an authentic, vintage three sheet from RKO for this film.

Original Strange Confession (1945) Six Sheet - \$840.00

Universal Pictures Original U.S. Six Sheet Poster (81x81) Folded Very Fine Condition Universal Pictures Original U.S. Six Sheet Poster (81x81) for the John Hoffman directed mystery / crime film **STRANGE CONFESSION** (1945). The film stars Lon Chaney, Jr., J. Carrol Naish, Brenda Joyce, Milburn Stone, Lloyd Bridges, Addison Richards, Mary Gordon and Francis McDonald. One of the "Inner Sanctum Mysteries", the film has an unusual plot. The character played by Chaney is testing an influenza vaccine. He works for an employer who turns out to be unscrupulous. Nefarious doings ensue and this mystery film takes on certain horror characteristics. The Inner Sanctum series of films derived from the popularity of a network radio show of the same name. Six sheets are large-format posters which are printed on four separate panels. These panels are joined together to present as one poster. This example of the poster is in very fine condition. Colors are vivid. A six sheet poster for this film is really quite rare; a poster for the film in this format has never been auctioned in the United States, and we don't know of another example. MovieArt Original Film Posters in Austin, Texas guarantees that this poster is an authentic U.S. six sheet poster for this film.

Original *Dick Tracy* (1937) One Sheet - \$3,200.00

DICK TRACY (1937) Republic Pictures Chapter One Serial One-Sheet Poster (27x41) Linen-Backed. In 1937, Republic Pictures released a serial based on the Chester Gould newspaper comic strip, DICK TRACY. The serial had fifteen different chapters, and, as with many serials, each chapter had its own posters. Here is the Chapter 1 one-sheet for this classic serial, one of the rarest serial posters. Chapter 1 one sheets were usually uncluttered with the inset photos that are found on posters for subsequent chapters. Ralph Byrd played the fearless detective. He's out to get a villain called simply "The Spider". We are introduced to this nefarious character in the first chapter, "The Spider Strikes." You can rest assured, as millions of moviegoers did in 1937, that this Spider-Guy is no match for Tracy. The serial also starred Kay Hughes, Smiley Burnette, Carleton Young, Francis X. Bushman, John Dilson, Harrison Greene, Buddy Roosevelt and Roy Barcroft. This poster is in very fine condition. Colors are vivid. The poster is mounted on an older linen, and is in no need, in our opinion, of rebacking. For serial collectors, this is one of the best posters! MovieArt Austin guarantees that this poster is an authentic U.S. one-sheet poster for this film.

MovieArt Austin will sell NO reproductions.

Thousands of Original Movie Posters
to choose from.

Original vintage film posters recently added to the website direct from a cinema owner in New Zealand!

Star Wars Style C US one sheet

This is the rare Style C American one sheet film poster with the artwork that George Lucas employed British artist Tom Chantrell to paint and subsequently purchased himself the original artwork and rights for merchandising. The likenesses of the characters is a testament to the skill of the artist with this particular film poster having no pinholes and one we purchased directly from a lady cinema owner in New Zealand. The poster features the "GY" New Zealand censor stamp by the title.

Jaws Australian one sheet film poster

Amazing film poster artwork featuring the most famous shark in the world. This Australian litho printed one-sheet film poster we purchased directly from a lady cinema owner in New Zealand and it features a cool censors note sticker to the right of the title near the foot. An iconic image and with no pinholes.

Escape from New York UK Quad

Manhattan Island in the future is a high security prison where the President's plane has the misfortune to crash land! John Carpenter directs a wonderful cast. The poster art is excellent featuring the night time skyline of N.Y. which is unforgettable and comes right at the start of the film.

New additions

These film posters are all original and from cinemas. We only have the one of each so it will be first come first served.

ART THAT POPS!

THE BRAND NEW WINTER 2020 POSTER COLLECTION IS [HERE](#)

Dear Posterophiles,

As announced 2 weeks ago and on time, **THE BRAND NEW WINTER POSTER COLLECTION** is here **with no less than 800 superb posters curated** all available in the [NEW PRODUCTS](#) section.

In the History of the Gallery, this is the **LARGEST** collection ever assembled and displayed in one go with hundreds of super rare posters mainly originating from Italy and Japan, some of those guaranteed unavailable anywhere else...

Here's a quick summary by the main categories to help you navigate covering the **COMICS, MOVIES, MUSIC** and **OTHERS** sections (you can choose to browse by clicking on the **Newly listed** option in the click down box)

COMICS :

[That section](#) includes several brand new limited edition prints featuring both DC and Marvel Comics' main characters as well as vintage Marvel Third Eye cards and others.

MUSIC :

* [Many new fantastic vintage concert posters](#) from **Aretha Franklin, Barbra Streisand, The Beatles, Blondie, The Clash, CSNY and Neil Young, Ike and Tina Turner, James Brown, John Lee Hooker, Pink Floyd and Tom Jones** including beautiful and rare posters from the Michigan scene / Grande Ballroom by [Gary Grimshaw](#).

OTHERS :

* [Advertising](#): Featuring large colorful posters from Switzerland and the US for beer, food and sun tanning products.

* [Airlines-Travel](#): another treasure trove of incredibly pristine airlines posters from **Canadian Pacific, Continental, Japan Airlines, Northwest Orient, Qantas, SAS, Swissair, TWA, United and Western Airlines**. Those are augmented by no less superb Tourism posters from **Finland, France, Italy, Japan, Norway and Sweden**.

* [Olympics](#) with posters from Berlin 1936, Melbourne 1958, Tokyo 1964, Mexico 1968, Sapporo 1972, Munich 1972 and Los Angeles 1984.

* [Headshop-Psychedelic](#) with rare posters from the legendary Pandora series as well as the 2 impossible to find super Nova posters by Paul Kagan (see below).

MOVIES :

As usual, a wide selection of posters from all around the world: Belgium, Denmark, Finland, France, Germany, Poland, Sweden, The UK and the US with the bulk originating from Italy and Japan as well as fantastic new and rare [limited edition prints](#) (Mondo and others) by Laurent Durieux, Gabz, Paul Mann, Marko Manev, Olly Moss, Rockin' Jelly Bean, Tracie Ching, Vance Kelly...

You will find many posters from the [Martial Arts-Bruceploitation](#) with many great Bruce Lee and Jackie Chan posters; [Horror-Hammer](#) with several Dracula and Frankenstein posters, [James Bond](#); [Samurai-Yakuza](#); [Animation-Disney-Kids](#) with many Miyazaki/ Studio Ghibli and Disney posters; [Blaxploitation](#); [Sexploitation](#) (including [Japanese Pinky](#)), Sci-Fi ([several Kaiju / Godzilla related posters](#)), [Star Wars](#), War and Western + the usual assortment of classic movies, Directors and Actors (Alain Delon, Alfred Hitchcock, Audrey Hepburn, VERY RARE [Brigitte Bardot](#), Catherine Deneuve, Clint Eastwood, Edwige Fenech, Elizabeth Taylor, Elvis Presley, Frank Sinatra, James Coburn, James Dean, Jeanne Moreau, Jean-Luc Godard, Jean-Paul Belmondo, Jess Franco, Marcello Mastroianni, Marilyn Monroe, Paul Newman, Peter Sellers, Raquel Welch, Sophia Loren, Stanley Kubrick, Steve McQueen, Sylvester Stallone, Toshiro Mifune, Yul Brynner...)

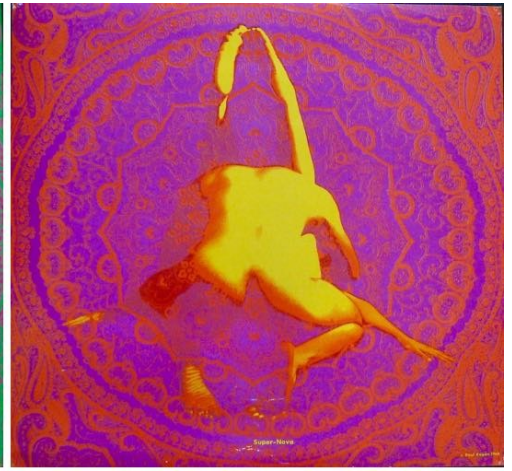

Following is a sample of 20 posters among the 800 you will hopefully enjoy and purchase...

When I mentioned earlier the collection includes ultra rare posters, I mean it as I have seen the following poster twice in 10 years! Admire the 1996 Japanese rerelease of [Rude Boy](#), The Clash's concert/documentary featuring a stunning portrait of Paul Simonon.

Another rarity and a beautiful painting in its own right is the large 2 panel poster painted by [Silvano 'Nano' Campeggi](#) for the 1966 Italian rerelease of [Cat On A Hot Tin Roof](#).

We continue with rare posters with the two styles (Green and Red) headshop posters of [Super Nova](#) designed by Paul Kagan for the Family Dog series in 1967 and 1968.

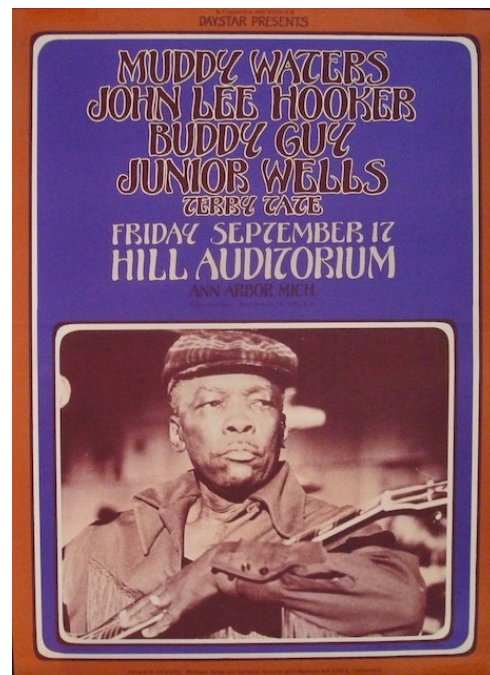

[Laurent Durieux](#) keeps his flawless stream of masterpieces coming with a brand new sold out limited edition print for [La piscine \(The Swimming Pool\)](#). We also have the even rarer variant print.

The [Yellow Submarine](#) animated movie is constantly being discovered for its groundbreaking animated techniques. Here is the complete set of 6 large British cards featuring [The Beatles](#) and other iconic visuals of the 1968 Musical cartoon

One of my all-time "Holy Grail" concert poster (which I treasure in my personal collection and have finally found another copy after nearly 15 years of intense searching) is this astonishing vintage concert poster created by [Gary Grimshaw](#) for [John Lee Hooker and Muddy Waters' 1971 Ann Arbor show](#).

The love relationship between Japan and [Audrey Hepburn](#) has spawned some of the most luminous movie posters ever printed. proof with this image printed for the 1964 rerelease of the adaptation of Tolstoy's classic, [War And Peace](#).

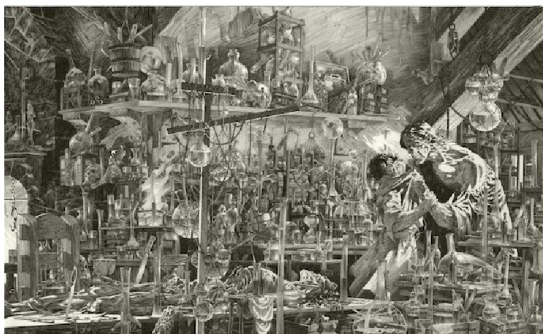

[Cleopatra](#) is another filmed epic masterpiece (even though it nearly sunk 20th Century Fox). Admire the impossible to find COMPLETE set of 6 large colorful Italian roadshow style posters.

[Bernie Wrightson's](#) original painting for [Frankenstein: I Shall be With You On Your Wedding Night](#) recently sold at an auction for 1.2 Million dollars. You can get the numbered limited edition print for much less...

[Brigitte Bardot's](#) beauty would have surely melted the monster as shown with her luminous smile on the ultra rare Japanese poster for [Please Not Now \(La bride sur le cou\)](#). The poster is already linen backed.

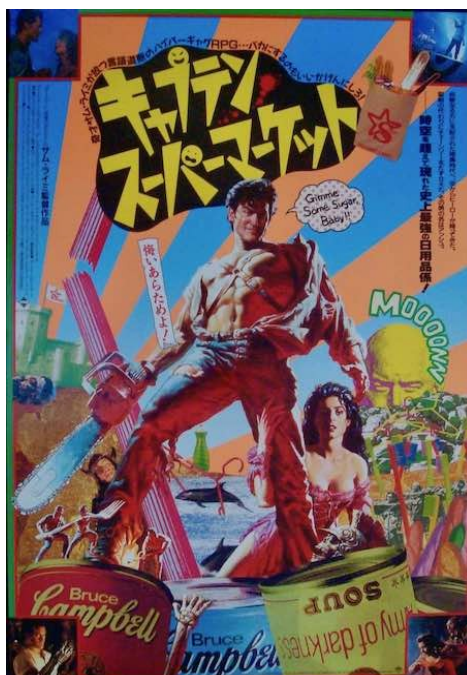

The [Italian poster](#) uniquely designed by Michelangelo Papuzza for the first movie of the [Star Wars](#) saga movie is one of the most desirable and hardest to find.

[Paul Mann](#) keeps on delivering better and better incredibly detailed paintings printed a limited editions in very small quantities. The latest is the 3rd in his James Bond series (and in my humble opinion his best) with this magnificent print of [Goldfinger](#).

Horror, humor and shlock have never been blended better than in Sam Raimi's 3rd episode of his Evil Dead series, [Army Of Darkness](#). The Japanese poster brings John Bolton's original painting to a new level of Pop Art kitsch.

Horror at the claws of crows and pigeons...A cinematographic feat achieved by [Alfred Hitchcock](#) in [The Birds](#). Admire the very rare large French original poster with Art by [Boris Grinspon](#).

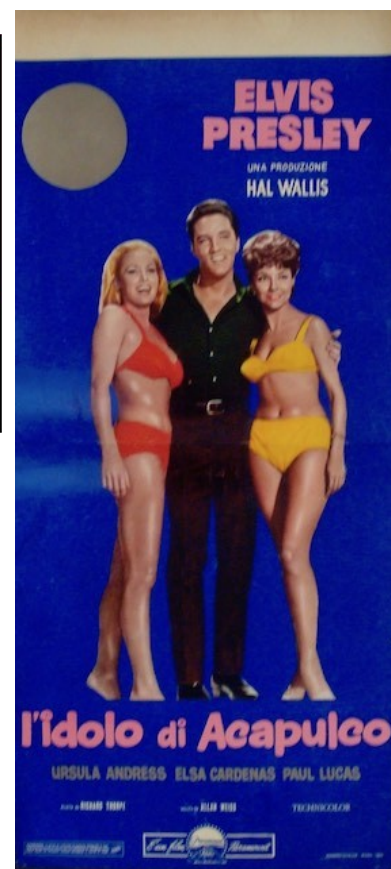

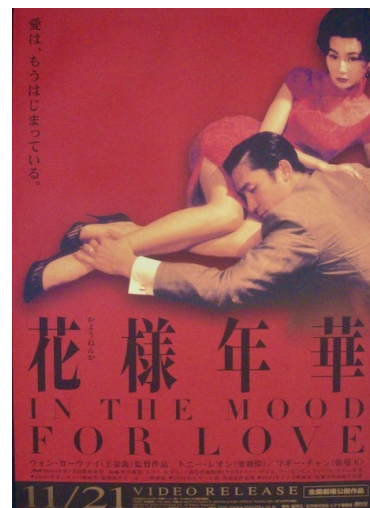

Romance and elegance summed up perfectly on the Japanese poster (this one for the video release) of Wong Kar-Wai's masterpiece, [In The Mood For Love](#).

Romance and car racing are the two main components of [Claude Lelouch](#)'s classic [Un homme et une femme \(A Man And A Woman\)](#) as shown on the beautiful bicolor Finnish poster.

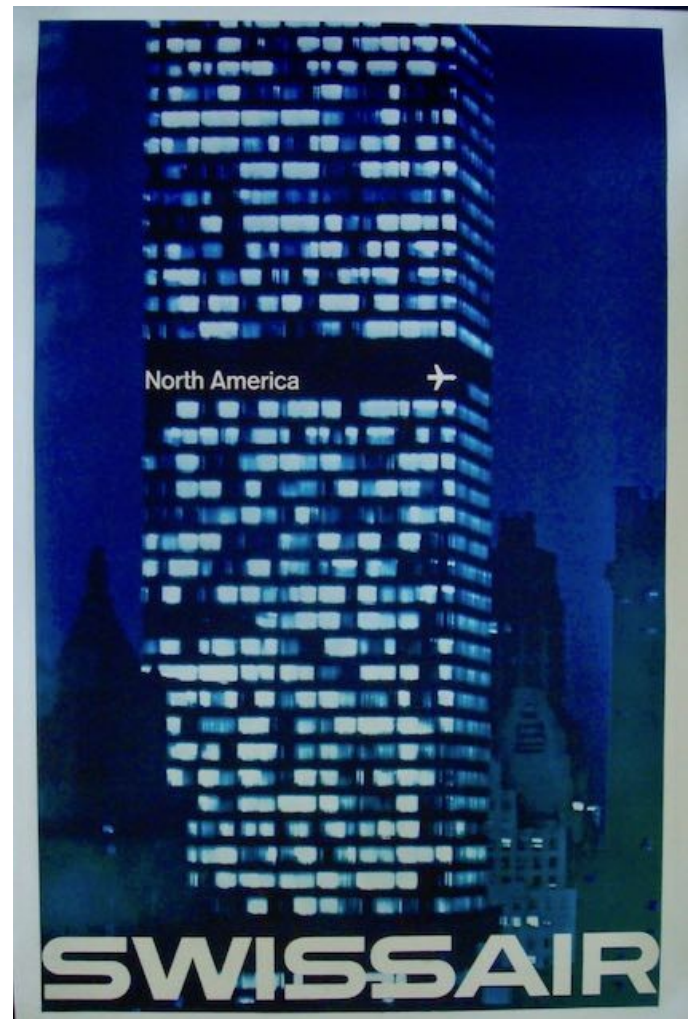

As [Quentin Tarantino](#) is hoping to get another Oscar win, his oeuvre keeps inspiring Artists with this fantastic brand new limited edition print of [Pulp Fiction](#) by [Marko Manev](#) (we also have the variant edition of 1!).

It doesn't get any better than [Elvis Presley](#) and [Ursula Andress](#) reunited on this gorgeous rare Italian locandina (insert sized) poster for [Fun In Acapulco](#). One of the many rare Elvis posters just added.

Adorable, colorful, ultra rare, Near Mint...Adjectives lack to describe the impossible to find original Japanese poster for [Pinocchio](#) printed in 1952 for the first local release of [Walt Disney](#)'s classic. The poster is linen backed.

We leave you with a stunning visual designed in 1964 by [Manfred Bingler](#) for [Swissair](#) advertising flights to North America featuring a New York building. The poster is already linen backed.

Prop Store presents a fundraiser for Rancho Obi-Wan:

Death Star Auction

From an illuminated Dagobah garden to an exploded Darth Vader mask, from a Fabergé-style egg to a dianoga's lair, and from R2-D2 to Scarif's Citadel Tower from *Star Wars: Rogue One*, artists have turned 30 10-inch high resin replicas of the Death Star into ingenious and in some cases automated works of art in a fundraiser for **Rancho Obi-Wan**.

The auction is being run by Prop Store, the well-known London and Los Angeles based seller of pop culture memorabilia. The online sale runs from Feb. 10 to Feb. 21, 2020 and will support Rancho's mission of using its collection to inspire others to be imaginative, creative, learn new crafts and gain knowledge.

"We couldn't be more thrilled with the Death Star replicas that *Star Wars* artists and fans have contributed to our auction following in the tradition of artists' reworking of Darth Vader, Stormtrooper and other helmets," says Steve Sansweet, head of **Rancho Obi-Wan**. "We also want to thank our friends at Prop Store for donating their time and bandwidth to run the auction."

You can register now to be ready to bid on February 10th. Click below:
