## ENTERTAINMENT, MEMORABILIA & MOVIE PROPS AUCTION - FEBRUARY 25, 2021

This is one of a number of limited edition soundwaves prints in Ewbank's Entertainment, Memorabilia and Movie Props Auction which will be held on February 25, 2021 at 12:00 p.m. UK time.

This was created using Eric Clapton's 'River of Tears' and is lot 1175 on 25th February. These artworks are made by colouring and manipulating the actual soundwaves from a track to create beautiful visual representations of the music. This print is signed by Clapton himself and is numbered 1/50. It carries a guide price of £600 - £900.

## VINTAGE POSTERS AUCTION - FEBRUARY 26, 2021

An R-1963 British Quad film poster for ***The Bridge on the River Kwai*** is just one of the wonderful vintage movie posters going under the hammer at Ewbank's Vintage Posters Auction which will be held on February 26, 2021 at 12:00 p.m. UK time.

This poster was for the Academy Award release of the film and is in very good condition.

This poster is one of a fantastic array of posters in this auction -- all available to view on our website now  
[www.ewbanks.co.uk](http://www.ewbanks.co.uk).

There are also plenty of posters for horror fans in the Auction.

Here is a British Quad poster for 1969's Hammer Horror, ***Taste the Blood of Dracula***, starring the great Christopher Lee.

## MARCH 10-24

**Movie Poster Archives**, the industry's only non-profit archival organization will hold its **FIRST Lagniappe auction!!!**

- \* Over the last 4 years, MPA has received over 750,000 items as tax deductible donations from collectors, dealers, individual donors, estates and businesses.
- \* Once MPA has the items needed for documentation on a particular title, any additional duplicates of that particular item can be sold to help create needed funding (we call "Lagniappe").
- \* Since all items are received for archival purposes, no value is assigned, therefore all items will start at the same low price with no reserve no matter the value of the item.
- \* As a non-profit, MPA can not lose money on a project so the labor and storage cost have been assessed to give a **starting price of \$3 on every item, no matter the value.**

**Collectors and dealers –help us eliminate some of our excess material and take advantage of some fantastic bargains!!!**

2020 was really a banner year for eMoviePoster.com! Not only did we **SHATTER** our yearly sales record (going over \$6 million for the first time), but we also did so while running **HALF** as many auctions during the year (due to switching to bi-weekly auctions)!

## **AND INCREDIBLY WE ARE WELL AHEAD OF THAT PACE SO FAR IN 2021!**

Part of how we did this is because we clearly do a **MUCH** better job than our competitors (both for consignors **AND** for bidders and buyers), and that has resulted in us having the most bidders ever (by a wide margin) and they are bidding higher than ever before!

So there has **NEVER** been a better time to consign than right now! But also, our sales were much higher because we continue to expand the range of items we auction. In addition to our "regular" items, we have signed items, original art, comic books, toys, games, props, costumes, and much more.

We can also auction **ANYTHING** not mentioned above that is a poster, or **ANYTHING** movie-related (as long as it has a realistic value over \$20 each). If **YOU** have such items and have looked for a great way to sell them, send them to us, and we feel certain you will be very glad you did!

## THE 2021 WINTER POSTER COLLECTION IS HERE

[You can go straight to the BLOG here](#)

Dear Posterophiles,

I first came in contact with Long Island born bald icon, [TELLY SAVALAS](#), also known in Hollywood as "Golden Greek", like most of you when the TV series [KOJAK](#) was broadcasted on French channels where I was then living as a child and loved the overall combination of porkpie hat, smiles, tough fighting and lollipop sucking.

It is fun to know that the lollipop was actually introduced by Savalas himself as he was then trying to stop smoking and had to have something to hold in his hand!!!

However Telly Savalas should not only be remembered only for his successful stint as Kojak (a role initially offered to Marlon Brando!) between 1973 and 1978 as his body of work encompasses over 131 movies / TV movies in a career between 1959 and 1995.

Despite his generous nature and good humor which made him one of the most liked actors in Hollywood, Savalas mainly played murderers, psychotics, rapists....

One of my favorite roles in that genre is the one of his character, Maggot, in [The Dirty Dozen](#) in 1967 in which his "rapist nature" makes the whole operation go from perfection to destruction in a chilling scene "Scream....!".

The years 1967-1970 were important ones for him with multiple successful roles and some that didn't materialize. He was cast as the lead actor in Cool Hand Luke but failed to get the role as his fear of flying prevented him from crossing the Atlantic on time to start production and the role went to Paul Newman!

Let's not forget Savalas was also cast as the meanest Blofeld, James Bond's archenemy, in [On Her Majesty's Secret Service](#), a movie which must be revisited and praised anew as one of the best.

A multi talented entertainer, Savalas also sang, having a big hit with his cover of "If", was one of the top poker players in the world and spent outrageous amounts of money having fun as well on many philanthropies towards Greece. Married 3 times, he used to live in Hollywood's Sheraton hotel from the mid 70's till his death in 1994 from lung cancer. His presence in the hotel Bar was so frequent that they renamed it Telly's in his honor.

So to celebrate this great actor and force of nature I have selected 10 of his movies in **THIS WEEK'S BLOG** ([Click here](#)) with fantastic posters from all around the world which I hope you will enjoy.

Here is just one of those, i.e a close up portrait of Telly in the 1972 Italian Spaghetti Western, [A Reason To Live, A Reason To Die](#).

## WHAT'S NEW THIS WEEK?

\* **NEW ITEMS:** The **2021 WINTER COLLECTION** strong of 800+ posters is available in the [NEW PRODUCTS section](#) (several having been added till the last newsletter sent 3 weeks ago), Here are just 20 that should make you wish to explore the entire collection..

We start with a couple of elegies to recently passed legends. the first one being to the best singer of [The Supremes](#), i.e Mary Wilson who left us last week. She doesn't appear on the fabulous large German concert designed by [Gunther Kieser](#) for their 1968 Tour (as by then La Ross had taken full control) but she was the engine making the show perfect. Poster is already linen backed.

A second "in memoriam" goes to [Christopher Plummer](#), a great actor (yet one who was mostly unliked by his Hollywood peers) who forever resented his talent being reduced to his role as Von Trapp in [The Sound Of Music](#). Here's a very rare original Italian fotobusta poster (we also have the complete set of 10 posters).

[Clint Eastwood](#) famously got along with Savalas in *Kelly's Heroes* so he had to be included in here with this sparkling ultra limited edition print (10 copies only!) on foil paper titled [A Fistful Of Vinyl](#) designed by the king of visual mash-ups, [Matt Dye / Blunt Graffix](#).

More Hollywood legends with a stunning painting of [Steve McQueen](#) on the large 2 panel Italian poster created for the 1974 rerelease of one of his best movies, [Cincinnati Kid](#).

Another large poster but this one from France and one of the rarest and most in demand, i.e. the one for the [1966 Batman movie](#). Unique Art by [Boris Grinsson](#).

Another large French poster which advertises the capital's secret charms with a title which doesn't need any translation...[Paris Porno](#).

However I as a proud French born would certainly not allow my home country to be reduced to some vile cliches. I therefore prefer to display French gorgeousness with this lovely model advertising skiing in the [French resort of Les 2 Alpes](#) in 1969. The poster is already linen backed.

More feminine beauty yet illustrated this one with the classic painting of the mother used to advertise the [Expo 67 in Montreal](#). This image was designed as part of a 4 poster set featuring a dreamy family (father, mother, daughter and son).

We stick with mesmerizing feminine gazes with the one of British Mod goddess, [Julie Driscoll](#) here on the ultra rare original concert poster for her shows with Brian Auger and The Trinity at the [Boston Tea Party](#) in 1968. Art by Eric Engstrom.

[Sylvester Stallone](#) is working on the director's cut of Rocky 4. So while we wait for it, let's enjoy this great brand new limited edition print by [Yvan Quinet](#) for the first episode of the [Rocky](#) Boxing saga.

But beauties should not just be appreciated on this earthly plane but also in space...Very rare vintage Italian fotobusta poster for [Barbarella](#). Superb condition.

We all have very fond memories of toys and games we played as a kid. One of mine was playing with my brother, acting as Mister Fantastic in this vintage 1977 Milton Bradley Board game, [Spiderman and the Fantastic Four](#) with great Art by John Romita.

From Mister Fantastic to Captain Fantastic with this glitzy very limited edition variant print on foil paper hand signed by Kevin Tong paying tribute to the 50th anniversary of [Elton John](#)'s performances at the Troubadour in Los Angeles. We also have the regular version.

[The Clash](#) will forever remain heroes of mine, embodying the power of Music, messaging, melodies and style. Very rare original 1980 German concert poster in perfect condition. One the many great German concert posters we added.

From Hamburg we travel to Munich which hosted the 1972 Olympics. I found this [amazing long poster](#) which willingly spoofs the legendary 1966 New York Art Director's Club poster having the painted naked model holding a Pretzel to advertise the 1972 Olympics!!! Ultra rare!

While some may consider pretzel and other junk foods as addictive, it doesn't compare to [Cannabis](#). Here is the very rare Italian poster for the 1970 French thriller starring [Jane Birkin](#) and [Serge Gainsbourg](#). Art by [Averardo Ciriello](#) (we have many other posters of the movie).

The moniker cult movie is brandished way too often (guilty of it) but if there is ONE French movie that merits this mention, it must be [Les tontons flingueurs](#). Impossible to find insert sized Italian poster. Art by [Enzo Nistri](#).

We never tire of marveling at childish innocence and dazzling colors especially when they are created in the wonderful [Studio Ghibli](#) studios and either directed or produced by Hayao Miyazaki like this 1995 anime, [Whisper Of The Heart](#) and its adorable Japanese poster.

Traveling in style with this stunning vintage 1972 poster designed by Bob Bride for the defunct [Aeronaves de Mexico](#) airlines advertising flights to Oaxoaca . The poster is already linen backed.
