# LET'S START THE YEAR OFF RIGHT!

For those who know who we are and know about our auctions – **GREAT!**

The next auction is scheduled for January 26-February 2.

It will go online on the night of January 25 at [MoviePosterArchives.org](http://MoviePosterArchives.org) (you can bookmark it). We will be sending out emails to all those on the mailing list with more details.

~~~0~~~

*For those who DO NOT KNOW YET...* WHAT ARE YOU WAITING FOR?

You've already missed out on SEVEN AUCTIONS!! *OK.. let me explain.*

\*Movie Poster Archives is the ONLY non-profit dedicated to the preservation of film accessories (stills, pressbooks, posters, etc.)

\*We have now been operational for 5 years!

\*In that time, we have received over 1,000,000 items that have been donated.

\*In sorting through, we get LOTS of duplication of items

\*We only need 2, sometimes 3, of an individual item. Anything over that is not needed and excess (we call Lagniappe in south Louisiana)

\*We can SELL all of our excess items to create operational funds for overhead, labor, projects and supplies.

\*Since we are non-profit and the items are donated, we place NO VALUE of the excess material (from silent to current)

\*Last year (in March) we started an auction to make more room and raise some operational funds – AND IT WENT FANTASTIC!!

\*Posters are done singly, but most of the other items (stills, mini lobbies, lobby cards) are done in sets or lots of 5-10 items per lot.

\*All of the lots on our regular auction start at \$3 no matter the value to cover our costs.

\*We have LOTS of weird, rare, unusual and oddity items – YOU WIN!!!

***NOW THAT YOU KNOW...*** there is NO REASON for you to miss out!

---

**Now, let's talk real quick about the next upcoming auction...**

We've got some GREAT stuff in EVERY CATEGORY... posters, lobby cards, celebrities and tv... and of course our speciality – MOVIE STILLs.

For those that are regulars, you know that this auction will have emphasis on titles beginning with the letters "C" and "D" – AND we have them in EVERY GENRE.

We've got classics like Citizen Kane, David Copperfield, Clash of the Titans, Critic's Choice, Country Girl, Cat on a Hot Tin Roof and Clockwork Orange.

We've got sci-fi like Cosmic Man, Cyclops, Day Mars Invaded Earth, and Day the Earth Caught Fire and tons of "B" horrors like Cauldron of Blood, Cave of the Living Dead, Chamber of Horrors, Crawling Hand, Creature Walks Among Us, Cult of the Cobra, Daughter of Dr. Jekyll, tons of ***The Curse of ...*** the Fly, the Living Corpses, the Mummy's Tomb, the Stone Hand and Voodoo. We even have Deadly Bees and Deadly Mantis!

Throw in some Disney animation, Chaplin, westerns, comedies and film noir. And **WE'VE GOT SOMETHING FOR EVERYBODY..**

**So BOOKMARK THE PLACE AND MARK THE CALENDAR - and we'll see you January 26- Feb. 2nd at MPA's regular Lagniappe Auction**

## **MPA BULK AUCTIONS**

### **HUGH SUCCESS!!!**

Our First Ever End-of-the-Year Bulk Auction was just that – a HUGE Success!! A special thanks to both dealers and collectors who participated. ALL of our Collector's Lots went and most of our bulk lots. It was actually our largest grossing auction so far.

It was so well received that we are now planning a Bulk Auction every quarter. Our next Bulk Auction is now scheduled for:

**March 28-31**

# **CONSIGNMENT DEADLINE**

## **FEBRUARY 1ST**

**For more information, visit Heritage Auctions Consignment Page [HERE!](#)**

## **eMoviePoster.com's December Major Auction ended December 26th. It had overall wonderful results!**

Our December Major Auction contained 1,457 great U.S., non-U.S., non-movie posters and items of all kinds and was run entirely in **ONE** part

**SEE EVERY RESULT** (not just the highest ones, as so many auctions do) **BY CLICKING HERE** OR **BY GOING TO <https://www.emovieposter.com/agallery/sort/1/date/2021-12-26/archive.html>**

It set lots and lots of individual sales records (as you will see, when you visit the above link)!

---

## **EMOVIEPOSTER.COM SMASHED ITS YEARLY SALES RECORD THIS YEAR!**

**Of course, this was due to our 2,940 consignors, our 63,148 bidders and registered users, and our incomparable 21 employees, and we thank everyone very, very much!**

But this is all the more remarkable because, as you all likely know, at the start of 2020 after 20 years of massive numbers of online auctions, we cut the number of auctions we run in **HALF**, supposedly guaranteeing it would also cut our sales in half. But I saw it as a worthwhile trade-off, because it meant I would work half as much, and could take **LOTS** of vacations!

But then the pandemic hit, and there went my vacations. And then everyone started consigning **TONS** of great stuff (maybe they feared I was about to retire?). And we **DID** run half as many auctions (70,000 as compared to 140,000 in 2019), but our sales not only did **NOT** go down by half, but instead we set a new all-time yearly sales record of over \$6.1 million (see the chart below).

This year, I decided to go even further, and went from "every other week" auctions to "every four week" auctions, meaning we would be down to around 50,000 annual auctions (from 140,000 two years prior!). And once again, not only did this **NOT** result in reduced sales, but instead we set a new all-time yearly sales record of over \$6.7 million, \$590,000 over our record set a year ago (see the chart below)

### Total Sales By Year:

**WHAT DOES 2022 LOOK LIKE FOR EMOVIEPOSTER.COM?** It all depends on our consignors, both the past ones, and the new ones we will gain over this coming year! If they again flood us with great consignments, it **MAY** well look a lot like a repeat of 2021!

**And I can't see why anyone with an excellent collection they have had for a long time would NOT STRONGLY consider consigning some or all of it to eMoviePoster.com!** After all, we have the very best buyers we have ever had (often paying record prices), we charge the lowest commissions of **ANY** major auction (at every price level), and we give true customer service to every consignor (and buyer), and we have **LIFETIME** guarantees on all we auction!

If **YOU** have considered consigning a lot more to us, go to our "no fine print" [Consign Page](https://www.emovieposter.com/learnmore/?page=consign) at <https://www.emovieposter.com/learnmore/?page=consign> and see if what we offer is right for you (as it has been for 2,940+ other consignors, over 31 years, and **ONE HUNDRED THREE MILLION** dollars in sales)!

**HOW MUCH WE AUCTION IN 2022 IS IN YOUR HANDS!**

**It is NOW time to consign to our April Major Auction which runs from March 27th to April 17th!**

**Even though our December Major Auction, only recently ended, it is NOW time to consign to our next major auction, our April Major Auction, which runs from March 27th to April 17th!**

How in the world do we put together an April 2022 Major Auction that is "on a par" with the incredible ones we held in 2021?

As always, because we actually sell all we auction (unlike most other major auctions, which continually take past unsolds "off the shelf" for yet another try), we have to "start fresh" every single time! But an incredible start is this amazing set of unrestored excellent condition Marx Bros Monkey Business lobby cards that just surfaced (the four pictured below, plus 4 more), which will be auctioned by the card in our April Major Auction!

And if **YOU** have high quality items you would like to enter in this most special auction, please contact us today, and we will tell you if they make sense to include (and maybe you will see some of them in our next preview ad!). And please remember that, despite our name, we auction **FAR** more than just "movie posters"! We also auction **ANY** other kind of poster and also any other kind of movie related collectible (except actual films), autographs, and so much more (although no barrels of kippered herring!).

Remember that we charge the lowest commissions (by far, at every price level) of **ANY** major auction, and that we get the best results overall (when you compare "apples to apples and oranges to oranges"). Plus, with us, you do no work at all other than safely getting the items to us, and you will be dealing with the most honest auction there is! Why not contact us today with what you have?

We have the very best and most buyers we have **EVER** had in our 32 year history (and over \$103,000,000 in sales!), and we charge far lower commissions than **ANY** other major auction (at every price level). If you have great posters or memorabilia to consign (movie **OR** non-movie), why not contact us today?

We had our best sales year **EVER** in 2021, with over \$6.7 million in sales (and a third as many auctions as two years ago, because we switched to "every four week" auctions from weekly auctions)! Part of how we did this is because we clearly do a **MUCH** better job than our competitors (both for consignors **AND** for bidders and buyers), and that has resulted in us having the most bidders ever (by a wide margin) and they are bidding higher than ever before! So there has **NEVER** been a better time to consign than right now!

If YOU have considered consigning a lot more to us, go to our "no fine print" Consign Page at <https://www.emovieposter.com/learnmore/?page=consign> and see if what we offer is right for you (as it has been for 2,923+ other consignors, over 31 years, and 98 MILLION dollars in sales)!

**EMOVIEPOSTER.COM**

Our April Major Auction, (which runs from 3/27 to 4/17) will be **FILLED** with great items we have rarely, if ever, auctioned, all with **NO** reserves! Why gamble consigning rare items to auctions that don't treat you well?

This exhibit featured posters of 50 movies filmed around the entire state, not just the New Orleans metro area. Forty-five parishes were represented, proving the Louisiana is indeed a great place to make movies.

50 Shades of Louisiana was presented in conjunction with the Art of the Film: Louisiana Film Industry Expo, sponsored by Northshore Cultural Economy Coalition and the City of Slidell. We were proud to be part of the stellar lineup of presenters who focused on how to break into the business, creative and unexpected career options, music songwriting, production and placement, behind-the-scenes glimpses, industry incentives, business opportunities, and a focus on women in the film industry.

Our presentation, of course, was on Louisiana's extensive film history.

The Expo featured an affiliated contest for creative teens to envision and design new movie posters -- Create Your Own Movie Poster Contest.

## Create Your Own Movie” Poster Contest Winners Announced

Three Louisiana high school students have been honored for their artwork in the “Create Your Own Movie” poster competition sponsored by Northshore Cultural Economy Coalition and the City of Slidell. The contest was held in conjunction with “Art of the Film: Louisiana Film Industry Expo” which took place at the Slidell Municipal Auditorium on Saturday, Jan. 8.

Students were challenged to showcase their creativity with posters illustrating an original film concept or a sequel to an existing production.

Taking home First Place and the \$300 prize was “Searching for My End” by Remy Cantrelle, a high school senior at New Orleans Center for Creative Arts (NOCCA). Coming in Second Place with a \$200 prize was “The Jester” by Serenity Bryer, a high school freshman from St. Helena College and Career Academy in Greensburg. Third Place, including a prize of \$100, was awarded for “The Dark Knight Resurrection” by Jaden Payne, a high school freshman at HomeLife Academy in Slidell.

Judges for the event included Movie Poster Archives Executive Director Linda Thurman, the City of Slidell’s Director of Cultural and Public Affairs Alex Carollo and Northshore Cultural Economy Coalition Founder and Chair Kim Bergeron.

“Movie posters are a personal message from the filmmaker to the viewer,” said Thurman. “The entries were all strong contenders. The winning poster communicates a longing and desire in an ethereal landscape. It brings the viewer into the filmmaker’s world and invites them along on the journey.”
