Movie Poster Archives, the only non-profit organization dedicated to the research and preservation of movie posters and related movie paper officially cut the ribbon on it's new archives and gift shop located in Gretna, Louisiana on Tuesday, December 6th. ## Gallery Grand Opening Draws Interest

L to R: Stacy Rhone, JEDCO; Jefferson Parish President Cynthia Lee Sheng; Michael Domingue, Lt. Governor's Office; Ed Poole, Movie Poster Archives; Linda Thurman, Movie Poster Archives; Susan Maclay, Louisiana State Museums; Jefferson Parish Councilman at Large Scott Walker; Jerry Bologna, JEDCO

On December 6, the Jefferson Parish Economic Development Commission joined local elected officials and the founders of Movie Poster Archives Gallery and Gifts to cut the ribbon on a multi-purpose facility at 605 Lapalco Boulevard in Gretna, Louisiana. The exhibit and gift shop showcase items from MPA's collection of more than 1.5 million movie posters and film accessories valued at over \$10 million.

*"Movie Poster Archives adds another layer of prestige and impact..."*

“We are honored that this team of business-savvy movie lovers chose to locate this historic collection right here in Jefferson Parish,” said Jefferson Parish President Cynthia Lee Sheng. “Movie Poster Archives adds another layer of prestige and impact to Jefferson Parish’s dynamic entertainment industry.”

## Exhibit Season Starts Now

Not one, but two movie poster exhibits will be on display in January. ***The Art of the Movie Poster*** opens January 7 in the Slidell Cultural Center located on the first floor of City Hall in Olde Towne Slidell at 2055 Second Street. Gallery hours are by appointment Wednesday through Friday from 12 to 4 p.m. Same day viewings are available. Please call the City of Slidell’s Department of Cultural & Public Affairs at (985) 646-4375 to schedule a viewing.

***Fifty Shades of Louisiana: A Filmmaker's Paradise*** is now open at the MPA Gallery, 605 Lapalco Blvd. in Gretna, Louisiana. This fascinating exhibit premiered in Slidell in January 2022. Edited for space, the revival exhibit features posters of films made in Louisiana dating to the early 1900s. A rare Swedish poster of *Evangeline* (1929) along with an original still of Dolores del Rio is a highlight of the exhibit.

## **FINAL CHANCE TO CONSIGN AUTOGRAPHED ITEMS!**

There are just a few days left to send consignments of personally autographed items (all types and sizes, **EXCEPT** repro photos, which we auction in our "regular auctions") for our annual "all-signed" auction which begins January 29th.

All signed consignments must be **ON THEIR WAY** to us (not arrive) no later than January 3rd, just a few days from today. And if you are a **BUYER** of signed items, be sure to return to our site on January 29th, when this wonderful auction starts.

---

## **2022 is now over (as far as auctioning goes) and we had another INCREDIBLE year!**

Our just-ended Sunday auctions (our final 2022 auctions) put us to over six million dollars in sales for 2022 (a total of \$6,296,236), our third consecutive \$6 million year, and our second best **EVER!** And we keep setting **LOTS** of individual records!

But even more impressive is that in 2019, our last sub-\$6 million year, we held 140,000 auctions, while in 2020 we "only" had 100,000 auctions, and in 2021 we "only" had 75,000 auctions! **NOW**, in 2022 we "only" had 54,000 auctions, and still came close to our other \$6 million years which had 75,000 and 100,000 auctions! And our sales per auction keep rising drastically as the number of annual auctions we have run has fallen by two-thirds over 3 years!

## **Why have we continued to have strong sales growth virtually every year, letting us grow in annual sales from \$1,883,722.71 in 2002 to \$6,296,236 this year?**

There are seven reasons for this:

- 1) We charge the lowest rates at every price level of any major auction, and we get higher prices overall than any other auction, when you compare "apples to apples and oranges to oranges" (even if you accept the many "false results" other auctions often report).
- 2) We do a better job of auctioning than any major auction (how buyers **AND** consignors are treated, before, during, and after every transaction).
- 3) We have very loyal bidders and consignors, many of whom we have dealt with for five or ten or more years, some for our entire 33 year history!
- 4) eBay continues to implode. They have no quality control over their sellers, so the good auctioneers get lumped in with the many bad ones, and their businesses continue to decline. Many former regular eBay bidders are now mostly only bidding with us, and many former eBay sellers are now mostly only selling through us!
- 5) Other online auction sites regularly alienate their consignors **AND** their bidders, due to many shady auction practices, including buyers premiums.
- 6) We have the best employees of any major movie poster auction. Over the years we have continually refined what we do, and our top employees have been here between ten and twenty years each!
- 7) We **DON'T** have fancy offices, showrooms, or exhibit space, or printed catalogs! We put all the savings from not having those things into having no buyers premiums, charging actual shipping cost and having 16 weeks of Pay and Hold, and many other ways that let our bidders and our consignors get a better deal than at any other auction!

**What will the future hold? Will we set more records? We don't know, so you will just have to come back here a year from now and find out! And if YOU have excellent posters or related items to sell, we don't know why you would not immediately consign them to [eMoviePoster.com](http://eMoviePoster.com), the #1 poster auction in the world, for 33 years!**

# "Everybody" knows that you can't get any "deals" on movie posters anymore!

**Sold For \$23,600**

## "EVERYBODY" KNOWS THAT YOU CAN'T GET ANY "DEALS" ON MOVIE POSTERS ANYMORE!

But in fact, "everybody" is wrong, at least when it comes to OUR auctions! It IS true in many other so-called "\$1, No Reserve" auctions, where you quickly learn that there is fine print that puts a MASSIVE minimum \$29 buyers premium on all purchases, so that "\$1, No Reserve" poster ends up costing you THIRTY DOLLARS (and sometimes there are exorbitant shipping costs as well, so a \$1 purchase can end up costing you \$60 or much more), and some auctions don't like to combine purchases, and some even charge surcharges on card payments. We started our auction company because we knew there had to be a better way!

In OUR auctions (at [www.eMoviePoster.com](http://www.eMoviePoster.com)), we have NO buyers premiums at all, so a \$1 poster is REALLY a \$1 poster (and in our auctions, you can combine all you purchase over 16 weeks into as few packages and tubes as possible)! But do we really sell many for just a few dollars each? Here are the hard cold facts! In 2022 alone we held a grand total of 59,979 auctions. Of those:

**Sold For \$14,000**

337 items sold for exactly \$1	10,729 items sold for \$16 or less
486 items sold for \$2 or less	11,751 items sold for \$17 or less
906 items sold for \$3 or less	12,675 items sold for \$18 or less
1,610 items sold for \$4 or less	13,279 items sold for \$19 or less
2,116 items sold for \$5 or less	14,204 items sold for \$20 or less
2,901 items sold for \$6 or less	14,811 items sold for \$21 or less
3,569 items sold for \$7 or less	15,886 items sold for \$22 or less
4,232 items sold for \$8 or less	16,961 items sold for \$23 or less
4,972 items sold for \$9 or less	18,093 items sold for \$24 or less
5,803 items sold for \$10 or less	18,778 items sold for \$25 or less
6,023 items sold for \$11 or less	19,302 items sold for \$26 or less
7,094 items sold for \$12 or less	20,368 items sold for \$27 or less
8,170 items sold for \$13 or less	21,131 items sold for \$28 or less
9,445 items sold for \$14 or less	21,735 items sold for \$29 or less
10,087 items sold for \$15 or less	or 36% of our total 2022 auctions!

**Sold For \$8,583**

That means that 21,735 of the 59,979 auctions we held in 2022 ended at under \$30 each! We know that in those auctions with the \$29 buyers premiums, they did not have even ONE auction end at under \$30, because even when an auction ends at just \$1 in their auctions, the \$29 buyers premium brings it to \$30, so EVERY auction they hold costs the buyer at least \$30, plus shipping.

Doesn't it make sense to spend your money where it goes the absolute furthest? Of course, we also sell LOTS of high quality movie paper, and OUR sales results are 100% accurate (you don't see items coming back to auction over and over and over). In 2022 alone, we auctioned 14,157 items for over \$100, 566 items for \$1,000 or more and 54 for \$5,000 or more and our highest priced auction was \$23,600, and our total sales for 2022 were \$6,296,236. Our total sales over 33 years are \$109 million!

### THE FOUR MARX BROTHERS

**MONKEY BUSINESS**  
**Sold For \$14,500**

So whether you are looking for great bargains, or the finest movie paper, or anything in-between, remember that we have auctioned more original vintage movie posters for more money than everyone else in the entire world (considering only "real" sales), and we have done so for 33 years, and we are the only auction anywhere with a LIFETIME guarantee. We have honest unenhanced images of all we auction and we give true customer service, and at ANY time you can call and talk directly to the owner. Try that with ANY other auction company!
