LAGNIAPPE AUCTION ENDS MARCH 16th

As most of you know, Movie Poster Archives, the only non-profit dedicated to preservation of movie accessories, has been operational for over 5 years now and has received approximately 1 MILLION pieces donated, MANY of which are duplicates that can not be used by the Archives.

You also know that last March we started an auction about every 6 weeks to help eliminate some of these duplicates and raise money to expand (we have received rave reviews by collectors and dealers alike).

We continue to grow and improve our auctions, and this time is no different. For this auction, we have LOTS of classics:

Lots of celebrities:

And others like, **Bette Davis, David Janssen, Catherine Zeta-Jones, Diane Keaton, Michael Keaton, Christopher Lambert, Lorenzo Lamas, June Lang, David Duchovny, Audie Murphy, Matt Dillon, Hedy Lamar** and lots more.

We have lots of posters of all types from movies, tv, and special posters:

And lobby card sets, programs, pressbooks, reproductions, and just for fun, we throw in some oddities.

ESPECIALLY FOR STILLS DEALERS AND COLLECTORS!

For those that are our regulars, we started at the beginning of our stills files in December, pulling excess groups that are not needed by the Archives. In this auction, we will hi-light film stills starting with E, F, G and H, so you will notice a lot more titles beginning with these letters.

AND, it doesn't matter if it's rare, obscure, blockbusters or you never heard of it! When we reach the number of pieces that we need for that particular item, anything else NEEDS to go. With HUNDREDS of THOUSANDS of stills and posters waiting to be filed - we need the room!

You'll see oddities and cult favorites from the 1940s to the 2000s like *E.T. the Extra Terrestrial, Earth Dies Screaming, Escape From New York, Face of Fu Manchu, Field of Dreams, Firestarter, Elvis in Flaming Star, Exorcist, Forrest Gump, Fox and the Hound, Fright Night, From the Earth to the Moon, From Hell it Came, Frozen Dead, Godfather*, and every genre from animation to westerns.

Since we are having to highlight only small sections at a time, it will be over a year before we can get back around to the beginning to release excess on most of these titles again. So, if you don't look through [THIS AUCTION](#), you may not see some of these titles again for OVER A YEAR!

MPA - 2nd ANNOUNCEMENT
ALSO FOR DEALERS AND COLLECTORS
ON MARCH 28-31TH

WE WILL HAVE OUR FIRST QUARTERLY BULK AUCTION

Many of the donations are in large quantities, so we're pulling a nice selection of posters, stills and oddities.

For dealers who did not participate in our End of the Year Bulk Auction (shame on you), our full size posters will be presented in 2 primary increments:

***10 posters of a single title and/or**

***a distributors box of 50 posters of that title.**

We will also be presenting Collectors Lots on specific titles/people/items.

Instead of acquiring pieces of your collection a few at a time, we will be presenting a single still of all the extras that we have for that title.

For example, in the upcoming Bulk Auction we will present a Collectors Lot of *Camille* starring Greta Garbo that contains 53 different stills in the lot. And celebrities like 44 different photos and stills of Bette Davis and 68 different 20th Century Fox publicity stills of June Lang.

We will also have numerous oddities and fun stuff, so be sure and mark your calendar – **March 28- 31st** – **That is a Monday through Thursday.** (We didn't want it confused with our Lagniappe Auctions which always start and end on Wednesday.)

Come see what the excitement is all about.

WELCOME NEW LAMP SPONSOR

We would like to welcome new LAMP Sponsor [Prop Store](#).

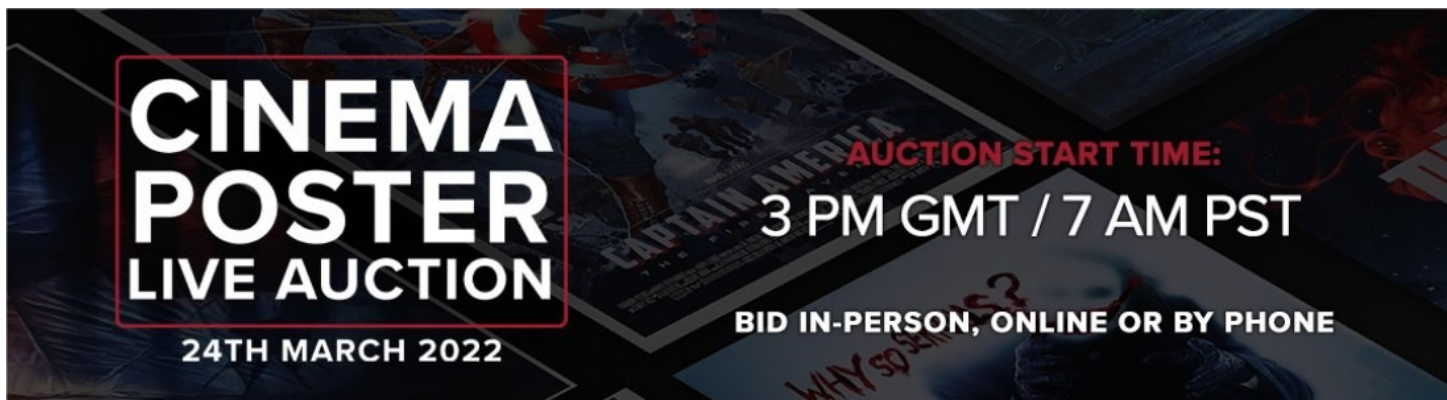

In 1998, Prop Store founder Stephen Lane's love for movies led him to begin hunting for the same props and costumes that were used to create his favourite films. He found that he could not only provide collectors with access to their most coveted pieces, but also establish archival standards for this new, pop-culture hybrid of fine art and memorabilia collecting—**prop art**.

Once Stephen assembled his dream team of like-minded movie fanatics, Prop Store set out like a band of movie archaeologists, looking to locate, research and preserve the treasure troves of important artifacts that hid in dark, sometimes forgotten corners all over the world.

Now, more than twenty-three years later, the prop hobby and Prop Store are thriving. With over thirty employees between our offices in London and Los Angeles and over 25,000 combined square feet of archived props and costumes, we've become the busiest and most trusted authority in the hobby.

Auction Trailer

Rare And Iconic Star Wars Poster Worth £7000 (\$9,200) Will Be Auctioned With No Reserve To Raise Money For Ukraine Aid Appeal

A highlight of Prop Store's Cinema Poster Live Auction, a highly sought after UK Quad "Hildebrandt" Style 1977 [Star Wars: A New Hope](#) will be offered to raise money for the DEC's Ukraine Humanitarian Appeal.

The poster itself is one of the most sought-after Star Wars posters originally produced in 1977 by renowned artists, the Brothers Hildebrandt. The poster had a very limited release as it was ultimately withdrawn from circulation and replaced with the more commercial 'Style C' poster featuring Tom Chantrell's artwork, making it one of the rarest Star Wars posters ever.

The auction estimate for the poster is **£5,000 – 7,000 (\$6,500 – 9,200)**, however the lot will be sold with no reserve with a starting bid of just £10, giving fans an opportunity to grab the bargain of a lifetime. **All hammer proceeds from the sale are to be donated to the DEC's Ukraine Humanitarian Appeal.**

Hey comic book fans! Do you remember when comic book collecting was a "hobby", filled with people who **LOVED** reading and discussing them? Before all the "investors", "rich collectors" and "slabbers" showed up? If so, you will **LOVE** eMoviePoster.com's auctions of 209 comic books that begin March 22nd! These were assembled decades ago by a collector who collected over a broad spectrum of types of comics.

Included are Mad #1 to 24, non-E.C. pre-code horror, fun giveaways, plus so much more (the 18 images here **ARE** of ones in these auctions, and all are images of the actual comics that will be auctioned). This collector was **NOT** "choosy" to say the least, so the condition ranges mostly from "poor" to "fair" to "good", with some better. But for those just looking to own a really fun comic this may prove to be a golden opportunity!

As with every eMoviePoster.com auction, **EVERY** comic starts at \$1, with **NO** reserve, and **NO** buyers premium. Few have any restoration, and none are slabbed! Go to eMoviePoster.com's home page the night of the 22nd, when all the auctions go "live"!

First, some background: In December 2020 we auctioned 2,346 Mondo art prints (from the collection of Mondo founder, Tim League), and they sold for \$732,660.00! But Mr. League mostly only gave us prints from 2013 to 2020, because the ones from before that time (back to 2004!) were ones he either only had one of, or very few.

NOW WE HAVE BEEN CONSIGNED A COLLECTION OF AROUND 270 PRINTS, MOSTLY ALL BOUGHT DIRECTLY FROM MONDO BETWEEN 2004 AND 2010 (with just a few later ones)!

These are the "rarest of the rare", and hardly ever change hands, and when they do it is usually for lots of money! But, as with all eMoviePoster.com auctions, **ALL** of these will start at \$1, with **NO** reserves, **NO** buyers premiums, and **NO** consignor bidding on their own items, as is seen at many auctions!

The auctions will be at the start of eMoviePoster.com's April Major Auction, and they will go "live" March 27th, so please return to our site on that day (after 7 PM CT).

EMOVIEPOSTER.COM

eMoviePoster.com is holding its "Second Ever Major Mondo Print Auction" 3/27 to 4/17 (as part of the April Major Auction)!

eMoviePoster.com - P.O. Box 874 - West Plains, MO 65775 - phone +1 (417) 256-9616 mail@eMoviePoster.com

The final deadline to consign to eMoviePoster.com's all signed auction is 4/22!

We at eMoviePoster.com **USED** to hold three or four "all-signed" auctions each year, but **NOW**, thanks to our shift to every four week auctions, we only have a single "all-signed" auction each year, and this year's one runs from 5/22 to 6/12, and it will be **FILLED** with great autographed items of every kind!

If **YOU** have "better" signed items you would like to sell (ones with good provenance), than contact us today with what you have, and you could see **YOUR** item in our next preview ad (like this great Jimmy Stewart signed It's a Wonderful Life lobby card, which has already been consigned to this very special auction!

EMOVIEPOSTER.COM

Our annual "all-signed" auction, (which runs from 5/22 to 6/12) will be **FILLED** with great autographed items of all kinds, all with **NO** reserves! Have your consignments for this auction on their way no later than 4/22!

JAMES “JIM” EPISALE

It is with a heavy heart that we announce the passing of Jim Episale, a long-time LAMP supporter and more importantly, a good friend.

Jim, was born in Yonkers, NY and was a US Marine Corps veteran. He opened his memorabilia shop, Unshredded Nostalgia, in 1978 in Barnegut, New Jersey.

Unshredded Nostalgia was described by many visitors as a collector's dream and treasure trove of memorabilia, ephemera, vintage photos, movie posters and pretty much everything under the retro loving sun!

Jim's philosophy was that “we are just temporary custodians of these artifacts,” which was apparent to anyone who visited his shop.

Jim was one of our earliest sponsors, having joined LAMP in August of 2003 and he remained a steadfast supporter since that time.

Our thoughts and prayers go out to Jim's wife Barbara and his family who will surely miss his humor and kind heart. Unshredded Nostalgia will remain open per Jim's wishes.

The family is asking that any donations be made in his name to the [Hunger Foundation of Southern Ocean](#), an institute that Jim strongly supported.

We will miss him as will our entire nostalgia community.

THE 2022 WINTER POSTER COLLECTION IS [HERE](#)

[You can go straight to the BLOG here](#)

Dear Posterophiles,

Pardon the lateness of this newsletter / Blog but the Gallery has been busy upgrading its website with a more responsive search engine as well as page search (at the bottom right of the website page) AND moving its entire stock to a new Manhattan location as our previous space was way too cramped to accommodate the 17,000 posters we have in stock.

Now that the hundreds of boxes and tubes are spread out and more accessible, we can focus again on sharing our passion and love of the printed matter.

Love for beauty is much needed now as the News are so bleak with conflicts, high prices, resentment and lack of empathy...I thought to therefore share some bright colors to combat the ambient darkness and modestly hope for the time of reading to also help you dissipate those clouds.

The late 60's saw a literal explosion of colors throughout all Artforms as well as Architecture, Advertising and Design.

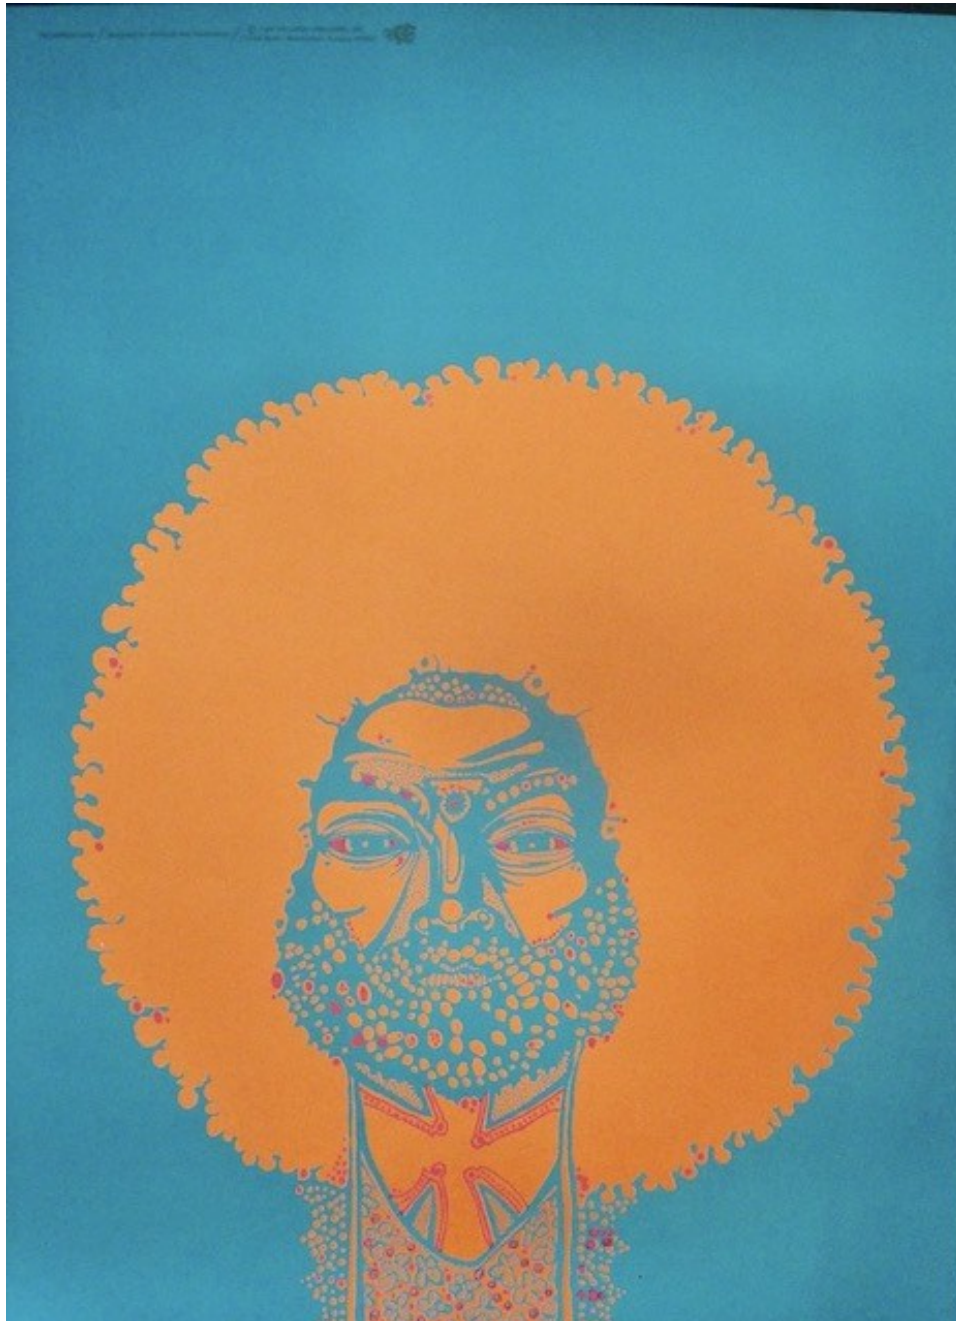

To call it Psychedelia is quite reductive yet that movement spawned an influx of vibrancy that was pretty prominent through the printed medium.

Printers used many new papers which were conducive to either [blacklight](#) (the effect would only appear in a dark room when exposed to a black light lamp) or with very bright [day-glo](#) inks shining through.

The movement started around 1966 with head shop posters and quickly spread up till the mid 70's being used by advertising companies, movie distributors, Airlines and obviously one of the most famous Blacklight / Day-Glo series, i.e. [the 1971 set of 24 posters and 24 cards from Marvel Comics / Third Eye](#).

THIS WEEK'S BLOG ([Click here](#)) showcases 10 entries featuring both blacklight and day-glo posters and cards culled from the Gallery's offering. No need to put 3-D glasses on. Your irises will automatically adjust .

Here is one of them, a brand new headshop poster acquisition from 1968 with blacklight inks titled [Incarnation](#) featuring a beautiful Afro-American female.

WHAT'S NEW THIS WEEK?

* **NEW ITEMS:** The **2022 WINTER COLLECTION** with its 868 posters (tens already sold) is available the [NEW PRODUCTS section](#). Enjoy the following 20 posters selected to make you either reach your credit card or just say wow...or both!

With the Russo-Ukrainian war about to enter its in-city fighting, the classic [Battle Of Algiers](#) must be shown again to comprehend the tactics and horror of guerilla insurgency (it is actually shown and taught at West Point and St Cyr military academies). The Czech poster is not only incredibly stunning but also super rare.

The atrocities of War have been sadly too well documented as the same barbarism happens to all creeds, races and nations. The Katanga conflict was not spared from this bloodshed and the movie [Dark Of The Sun \(The Mercenaries\)](#) vividly captures the slaughter. Rare Italian poster.

This avalanche of destruction makes us humans tear up as we cannot stand emotionless...but nature and creations also show emotion as the iconic splash page of Avengers 57 comic book drawn by [John Buscema](#), the Michelangelo of Comics, shows. Very limited edition print of [Even An Android Can Cry](#).

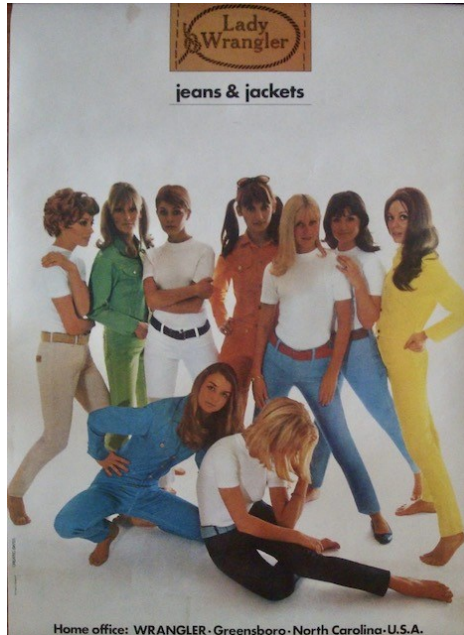

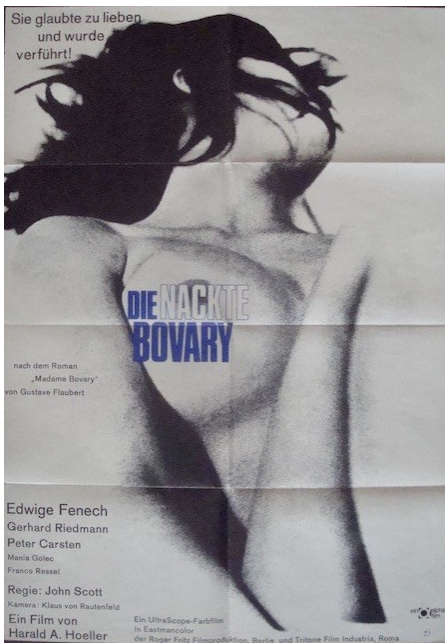

If Androids are created by men, Frankenstein also created one of the most sculptural women in the 1968 Hammer classic, [Frankenstein Created Woman](#). Very rare large 2 panel Italian poster.

Both androids and men are united in not staying still at the view of a beautiful woman and sinning in thoughts or in deeds...and who can throw the first stone at them when [Edwige Fenech](#) displays her superb curves as she does on the rare German poster of [The Sins Of Madame Bovary](#).

Let's cover up nakedness with stylish fashion apparel as the very cool and colorful vintage late 60's advertising poster for [Lady Wrangler](#).

Beautifully dressed women can also be lethal. Great Mod design for the British poster of the 1963 Thriller, [Girl In The Headlines](#) (also known as *The Model Murder Case*).

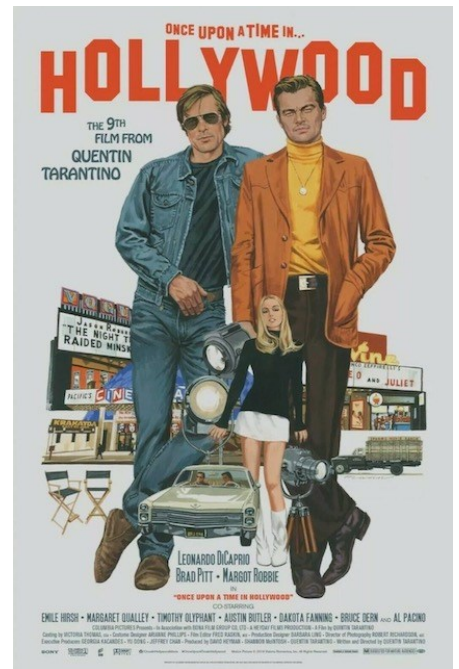

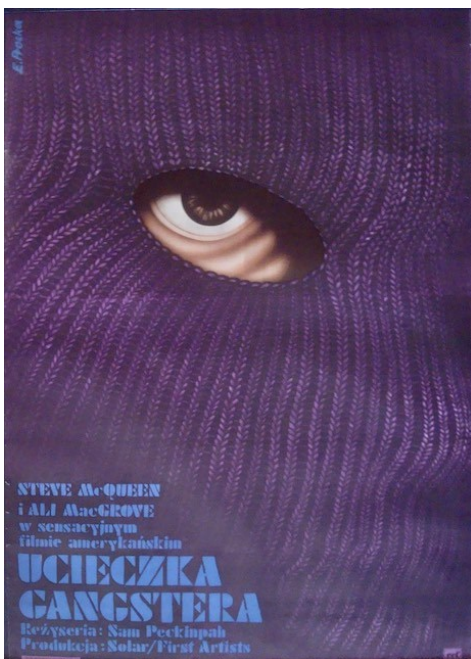

Thriller encore with a fabulous painting by Elzbieta Procka to illustrate the Polish poster for [Steve MacQueen's](#) 1971 violent heist movie, [The Getaway](#).

Psychedelic design (not day-glo though) with one of the most iconic images from the [Bill Graham Fillmore poster series](#) for [The Byrds'](#) 1967 San Francisco shows, known as BG 57. Painting by [Wes Wilson](#).

More brilliant illustration by [Paul Mann](#) with his amazing rendition of the one of the best movies of the last few years, [Once Upon A Time In Hollywood](#). Very limited edition print of only 50 copies.

Another brand new limited edition [James Bond poster from Thailand](#) with a superb rendition of Sean Connery 007 era's heroes and villains + Dame Judi Dench!?!

Neither black light nor day-glo - but as vibrant - is this fantastic limited edition print of [Jimi Hendrix: Rainbow](#) on holofoil paper by [Blunt Graffix](#).

Bicolor design can be as stunning especially as this lovely and rare Belgian poster for [Agnes Varda's](#) Nouvelle Vague classic, [Cleo de 5 a 7](#).

Virile bond and friendship with the great Italian poster printed for the mid 70's rerelease of [Adieu l'ami](#), starring [Alain Delon](#) and [Charles Bronson](#).

More great pairing with the rare German concert poster for the now legendary 1975 Warner Bros Records European Roadshow featuring [The Doobie Brothers](#), Little Feat and Montrose.

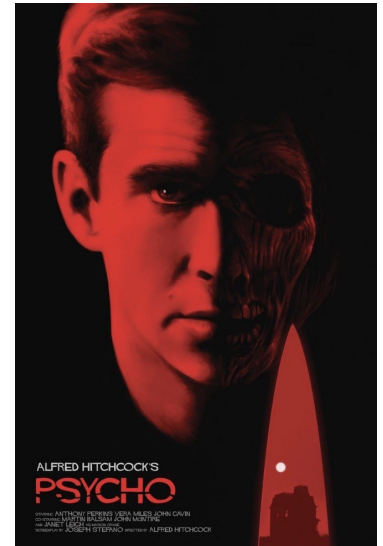

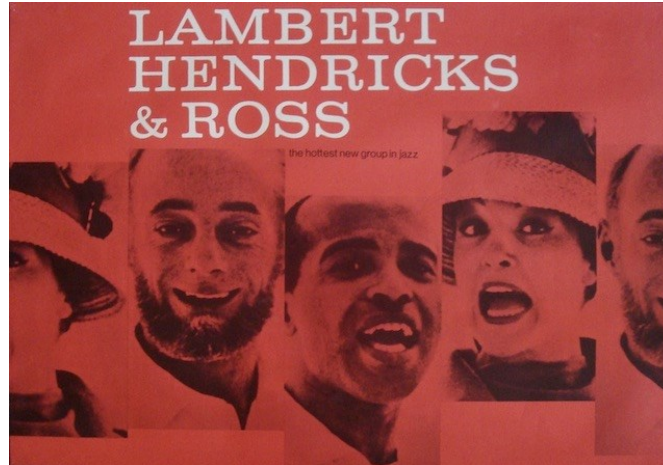

Back in stock is a poster which never fails to find a buyer, i.e. the colorful Japanese poster for [The Beatles'](#) first movie, [A Hard Day's Night](#). The poster is already linen backed.

More Japanese gorgeousness with a sublime image used for the 1972 Pinky movie, [Love Affair Exposed](#).

Not a Day-glo poster but with vivid red colors thanks to [Gunter Kieser](#) for the 1960 German concert poster of Jazz Trio, [Lambert, Hendricks And Ross](#).

Red yet more somber is Norma(n), a brand new eerie limited edition print by Nick Charge, revisiting [Alfred Hitchcock's Psycho](#).

As I know several of you readers are enjoying the slopes in the Alps or in Utah / Colorado, I thought to leave you with this beautiful 1971 [Swissair](#) poster, dubbing themselves The World's Greatest Ski Lift.
