THE 2022 SUMMER POSTER COLLECTION IS [HERE](#)

[You can go straight to the BLOG here](#)

Dear Posterophiles,

There are many gorgeous actresses (Audrey, Marilyn, BB, Sophia, Claudia, Raquel, Ann-Margret, Liz, Catherine....), famous names well known by most of you.

Yet there are even more beautiful stunning women - whose acting talents match their beauties - that need to be exposed to the masses, especially ladies who might not have had a big Hollywood career yet thrived in European cinema of the late 50's to the early 70's.

[MARINA VLADY](#) is one of them.

Born Marina-Catherine de Poliakov-Baidarov in 1938 near Paris, in a renowned 'White Russian' Artistic family exiled to France after the Soviet Revolution.

Along with her 3 other sisters, Odile Versois (the most gorgeous of the sisterhood), Hélène Vallier and Olga Baïdar-Poliakov, Marina embraced the Arts at a very young age, becoming both an actress and a dancer.

After many small roles in Italy between 1949 and 1955, she met and married [Robert Hossein](#) who featured her in most of his movies till they divorced in 1959 , giving her a boost to stardom in France where her beauty and fame rivaled Brigitte Bardot's for a short period, thanks to her stunning figure, piercing blue slavic eyes and blonde hair.

Marina Vlady won the Best Actress award at the 1963 Cannes Film Festival for the Italian comedy [The Conjugal Bed \(l'ape regina\)](#).

Multilingual (Russian, French, Italian and English), Vlady played in many European movies including the classic 1966 Eurospy film OSS 117 Atout coeur a Tokyo which was a big success in Europe but failed to give her a shot at Hollywood stardom.

She starred in Jean-Luc Godard's *2 ou 3 choses que je sais d'elle* in 1967 which was well received but left Vlady with a very bitter taste as she accused Godard of mistreating her during filming.

Vlady focused her time on moviemaking while being married twice more (Jean-Claude Brouillet and Russian poet singer Vladimir Visostky whom she lived in Moscow with till he died in 1982). Vlady was able to travel back and forth to Moscow as she had joined the French Communist Party .

While her movie career waned, Vlady became a very powerful social activist in France fighting for abortion rights which was then illegal (she suffered an early abortion) and other political topics with her last partner, cancer professor Leon Schwartzberg.

At age 84, Marina Vlady remains a "Grande dame du cinema francais" and beloved actress and woman in France, Russia and Italy.

THIS WEEK'S BLOG ([Click here](#)) showcases 10 of her movies with beautiful posters from France, Italy, Japan and the US.

Here is one of them, the superb painting by [Renato Casaro](#) for the insert sized Italian poster of [Toi le venin \(Nude In A White Car\)](#) also featuring her no less superb sister Odile Versois.

WHAT'S NEW THIS WEEK?

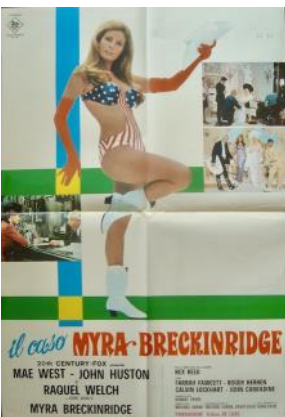

- **NEW ITEMS:** We added 20 more rare Belgian posters to the **2022 SUMMER COLLECTION** with 886 posters available in the [NEW PRODUCTS section](#). Enjoy a very eclectic selection of 20 posters below for the sheer pleasure of your eyes .

Gorgeous women come in all shapes, colors, nationalities and forms yet my number one woman is [Raquel Welch](#), even when she performs as a transgender in the wacky 1970 comedy, [Myra Breckinridge](#), here represented by its rare Italian 1F poster.

[Farrah Fawcett](#) did play in the above movie but she truly gained fame in the 1976 TV Series, [Charlie's Angels](#), along with Kate Jackson (my childhood crush) and Jaclyn Smith. Here's a set of 5 colorful Japanese clippings.

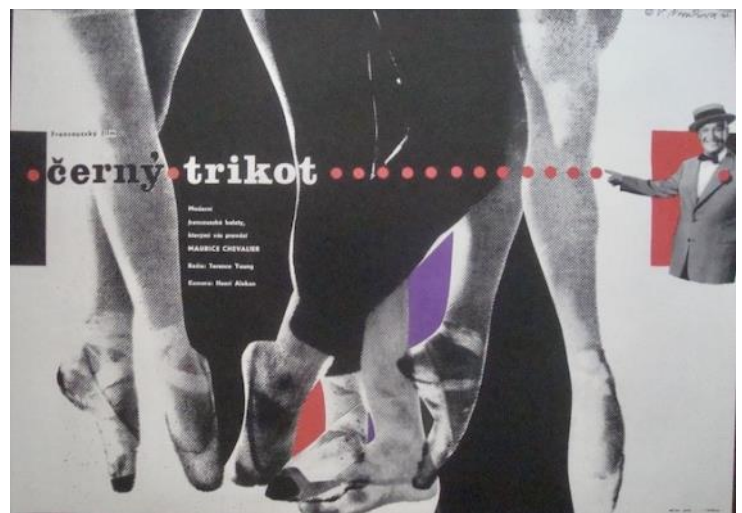

Sunbathing is an Art which inspired many visual creators. Here is a clever and cheeky take with the circa 1980 [Air France Rio travel poster](#).

While some prefer women on their belly, others enjoy a fully frontal figure. [Jakub Erol](#) clearly preferred that second option for the magnificent Polish poster of [Fellini Roma](#).

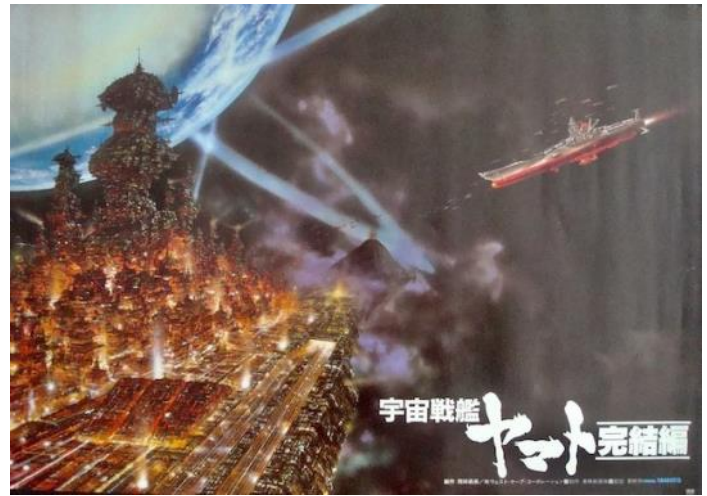

We remain in Eastern Europe with another gorgeous design by Vera Novaskova for the Czech release of the 1961 dance / ballet Musical, [Un deux trois quatre \(Black Tights\)](#) starring Cyd Charisse and Zizi Jeanmaire.

More dancing with this gorgeous DOUBLE-sided psychedelic poster by Bob Schnepf for the [1967 San Francisco Pacific Ballet's Gala season](#). One side is red/white and the other is green/red.

Another kind of Ballet. More space-operatic if I may say with this magnificent painting for one the many Japanese posters of the last movie of the [Yamato Anime Saga](#), Final Yamato....Clearly impressed many Star Wars and Guardians Of The Galaxy concept Artists.

Sci-Fi again but American style with an iconic painting by [Frank Frazetta](#) used by ABC to promote the [Battlestar Galactica TV series](#) and used as the cover of TV Guide in 1978. This commercial poster is in pristine shape.

Along with Lucky Luke and Tintin, [Asterix](#) is the most famous and loved Franco-Belgian comic book character. Here is a very funny and clever made-for-retail-only poster (out of 3 different ones I know of), Le service c'est l'art du détail, by Dargaud publishing aimed at enhancing client service in bookstores.

After 11 years + of business, it's easy to find out which are the best selling posters. Remarkably the [Columbo Italian posters](#) are in the Top 10 as I have sold tens of them. [Peter Falk](#) is (rightfully) beloved indeed. Here is the Italian 2 Fogli poster for Ransom For A Dead Man (won't last long!!!).

After the best detective, we turn to the best Spy, i.e. James Bond 007 here on a massage table as painted by [Robert McGinnis](#) for a rejected concert for [Thunderball](#). The image has only been printed in 2005 as part of a 5 limited edition print series, [James Bond Hollywood edition](#) which we offer all.

[Andy Warhol](#)'s Art has been exhibited in many museums around the world but this poster for the 1971 exhibition at London's Tate Gallery featuring one of the iconic [Marilyn Monroe](#) paintings is probably one of his most collected.

A sublime image (as often with Japanese movie posters) created for the release of the 1970 Pinky lesbian drama, [Cruel Female Love Suicide](#).

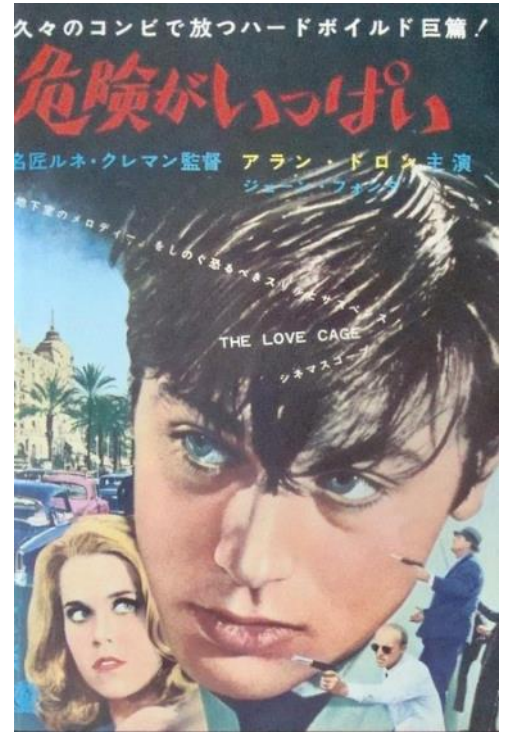

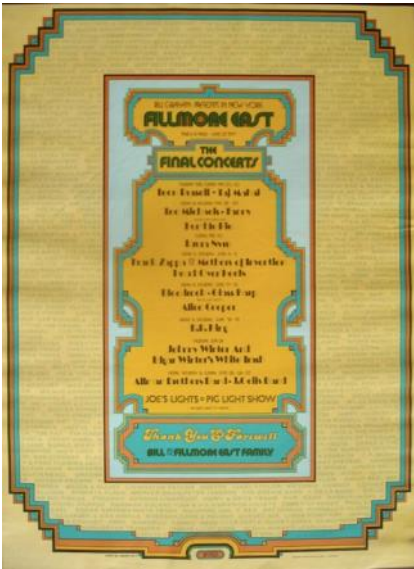

Cruel and brutal yet incredibly beautiful and visual is one of my Top 5 Yakuza movie posters for [Gambling Den's Master Clan](#), the 8th episode of the Gamling Den series.

The Fillmore West (San Francisco) and East (New York) concert venues are the most famous in Rock history. They both closed down in 1971 due to high rents. For the [Fillmore East closing nights](#), Bill Graham commissioned [David Byrd](#) to create a poster commemorating the famed venue. Byrd managed in an Art Deco style to include ALL the names of the Artists/bands who performed between 1968 and 1971. A classic image.

Another piece of Psychedelic Art (and even more rare and impressive) is the intricate design by [Wes Wilson](#) for the [1968 Associated Council Of The Arts Conference](#) in San Francisco. Ultra rare and in brand new like condition.

We love Japanese Ad posters as their designs are unique, most of the time completely different from the larger posters. Here is the Ad for [Les felins \(Joy House\)](#), the 1964 thriller starring [Alain Delon](#) and [Jane Fonda](#).

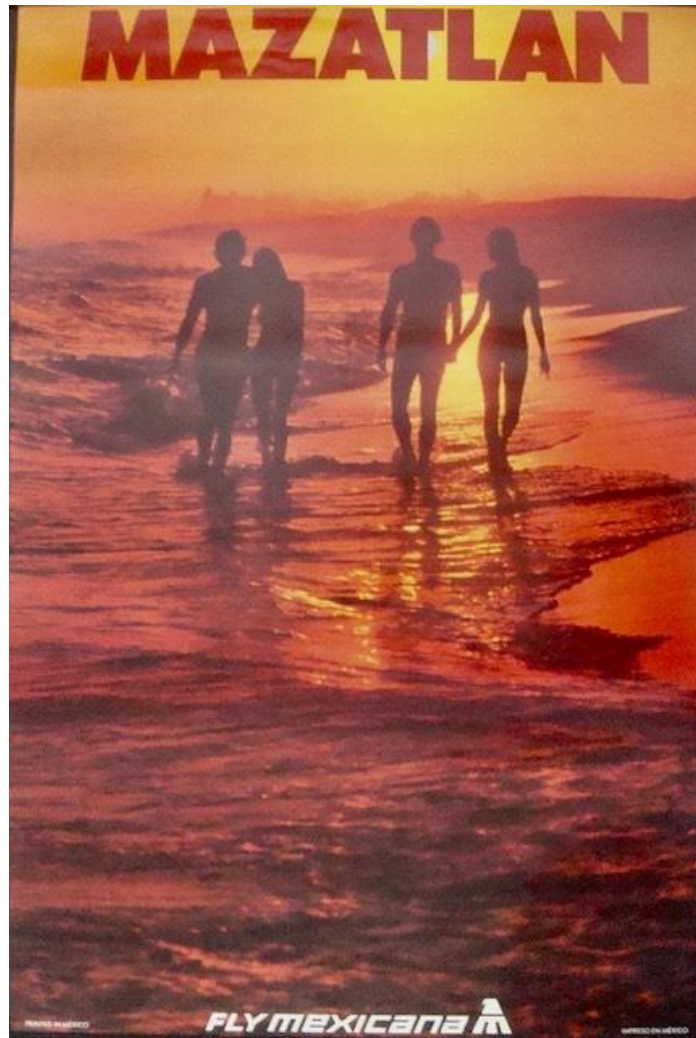

As mentioned above, we just added many rare Belgian movie posters (stuck in customs for 2 months - the new normal!) including this superb painting for the 1959 German movie [Strip Girls](#).

One of the rarest and most beautiful Italian erotic movie poster is the large 2 panel for the 1976 French erotic/sadistic movie, [Garden Of Torture \(Le jardin des supplices\)](#). Another Gallery exclusive!

As many dear friends are vacationing in Mexico, I thought about them with a stunning sunset image gracing the circa 1982 [Mexicana Airlines](#) poster advertising flights to Mazatlan.

SPOTLIGHT ON OUR LAMP SPONSORS

LAMP is now in its 21st year online as an anchor and pioneer of research for the movie poster industry. This is only due to the fantastic support that we have received over the years from our wonderful sponsors.

We would like to present our sponsors and remind everyone that these auctions, dealers and service providers are supporting our efforts to educate, encourage and inform the movie poster community. We could not do it without them. They are presented in the order that their sponsorship began, with emovieposter.com (Bruce Hershenson) being our Founding Sponsor in 2001.
