## eMoviePoster.com's 24th Annual Halloween Auction is in 3 parts ending VERY SOON on 10/24, 10/26, & 10/29!

In the past, our Halloween Auctions have mostly been one day events. But **THIS** year, we included all **THREE** of our auctions this week, so each of those **ONLY** has horror sci-fi! That allows us to include **LOTS** of every standard size (one-sheets, half-sheets, inserts, lobby cards, stills, non-U.S. posters from every country, and on and on), ones that in the past might not have "qualified" for this special annual auction!

Thanks so much to everyone who consigned! This absolutely **IS** an incredible auction! And remember that, unlike **EVERY** other major auction, there are no reserves or buyers premiums, and every poster has a new owner at auction's end, and **EVERY** poster is honestly described, so very important when dealing with expensive and/or restored posters!

### EMOVIEPOSTER.COM'S 24TH ANNUAL HALLOWEEN AUCTION PART I

Runs from October 3rd to October 24th!

1,356 folded one-sheets, lobby cards, and MUCH more!

### EMOVIEPOSTER.COM'S 24TH ANNUAL HALLOWEEN AUCTION PART II

1,093 rolled one-sheets and posters of EVERY other kind!

Part III of our [24th Annual Halloween Auction](#) contains 737 linenbacked posters & items that ship in non-standard boxes or tubes!

I could write an entire book about how many great items are in this auction but I would SO much rather you go to the above links and see all the wonderful items for yourself!

**The final deadline to SEND consignments to eMoviePoster.com's December Major Auction is October 30th**

eMoviePoster.com's **December Major Auction** is often our very best of the year! Our auctions have been on fire the past two years, including our recent Major and regular auctions, so I can't see why anyone with quality items to send would not send them **RIGHT NOW!**

While other auctions are content to auction the very same items again and again and again, we scour the globe to find items we have rarely if ever auctioned before! Remember that you only have to **SEND** them by the 30th, not have them arrive here by then! Contact us today with what you have (**IF YOU MISS THIS, YOU WILL HAVE TO WAIT UNTIL NEXT MARCH OR APRIL, AND YOU DON'T WANT THAT!**).

# LOOK FOR THE UNION LABEL

From time to time we receive questions regarding unmarked reissues on popular titles from the 1970s and 1980's. Through the years, we have written several items addressing the simple way to tell which ones are original release and which ones are re-issues. It's been awhile so we think collectors, dealers and auction houses need to be reminded of the situation.

Our research came about because of the *Mad Max* poster. There were records of a 1983 rerelease in theaters but no posters were found. Luckily, a collector asked about a poster he wanted to buy but the markings on the bottom were a little different.

To set the stage for those who have not heard this, National Screen Service and major studios used printers that were part of the union to print movie posters. These printers were required to place the printers union logo or "printer's bug" which it is sometimes called on all material meant to be shown in public.

From 1972 until 1983, the national printers union for movie posters was the Graphic Arts International Union, called the GAU. On the right is an example of their label.

Most people don't notice it as they usually print it very small in the bottom border.

In 1983, the Graphic Arts International Union merged with the International Printing and Graphic Communications Union to form the Graphic Communications International Union or GCIU. Their union label is seen on the left.

The good thing is that they are so completely different in shape that you can easily tell which one it is by the shape. The bad thing is that they left the original 1980 NSS number on the poster.

Here is a clip of the R83 rerelease.

The only way to tell the difference is the union bug which didn't come into existence until 1983. The original article [is here](#)

### Another One!

Later in 2011, we ran across another one – **Friday the 13th**. There were 2 - 27x40" releases (one commercial and one fan club), so we won't count those.

The original theater poster measured 27x41" and had the GAU logo that was quite separated from the NSS tag below.

Here is the bottom border for the original release:

You can easily tell the GAU logo.

Here is when they reprinted it:

You can see the GAU but it is printed lower and closer to the NSS tag. Everything else is the same.

And now here is the 1983 reissue:

NOTICE the difference – you can easily see that it is not the GAU, but the GCIU logo from 1983. But, they left the same NSS tag and number like the original making it very misleading. The original article [is here](#).

### A Closer Look at Excalibur!

The original film was produced by Orion Pictures and distributed in 1981 by Warner Bros. with the original NSS poster shown on the left.

In searching, we found three versions of this poster (this does NOT include the advance, or the reprint on this artwork): a studio version; an NSS version, and an unmarked reissue. All three poster are the same size and have identical credits and artwork with one exception -- the NSS and studio versions seem to have more red and greens and the reissue seems to have more yellows.

So, the only real difference in these posters is in the borders.

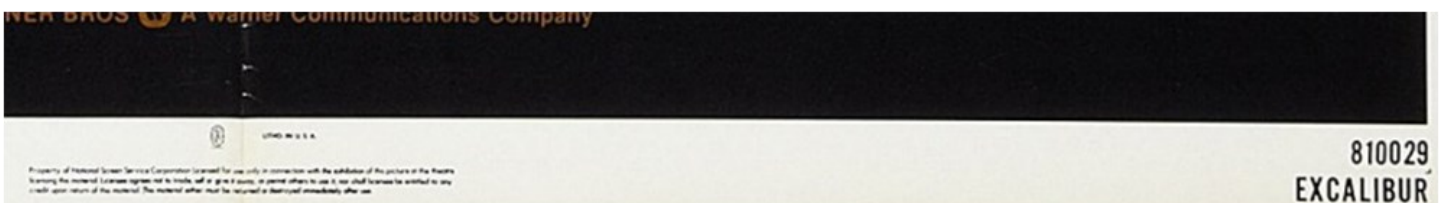

I tried to clip each in the exact same spot so you could see the bottom of the last credit line and the bottom border center and right.

Let's take a look: THE STUDIO VERSION

The studio version has NO framing marks and only "Litho in U.S.A." in the bottom left corner (the bottom left border is not shown) and "NSS 810029" in the bottom right corner.

NSS VERSION

The NSS version has small framing marks; in the bottom center, a GAU logo and Litho tag and below that centered is the NSS tag; the bottom right has the NSS number and title below.

REISSUE VERSION

For collecting late 1970s and early 1980s material (especially if it's rolled) – LOOK FOR THE UNION LOGO!

**RECORDS** : It has been a while since we hadn't added any vinyls but this delay has just been corrected with a very large collection of Batman related LPs and Singles linked to the cult 1966 movie as well as rare records and comics from the early 70's Power Records series with gorgeous covers by [Neal Adams](#).

**COMICS** : A handful of rare magazines, portfolios and posters from Marvelmania (and others) by [Jim Steranko](#).

**MUSIC** : A selection of over 100 concert posters including several from the legendary [Armadillo](#) in Austin, and from Amsterdam's [Paradiso](#) as well as [many others](#) by **Alice Cooper, The Beatles, The Clash, David Bowie, Elton John, Eric Clapton, The Grateful Dead, Ike & Tina Turner, Iggy Pop, James Brown, Jefferson Airplane, Jimi Hendrix, Joe Cocker, Led Zeppelin, Lou Reed, Miles Davis, Neil Young, Pearl Jam, The Police, The Ramones, The Rolling Stones, Tom Petty, The Who...**AND SOME OF THE RAREST German posters by [Gunther Kieser](#).

[This section](#) covers the following genres:

Advertising / Airlines-Travel / Headshop-Psychedelic / Olympics / Politics-Propaganda / Various

\* [Advertising](#): Several gorgeous posters from famous brands like **Blackglama**, **Coca-Cola**, **Levi's jeans** and **Lambretta scooters**...

\* [Airlines-Travel](#): A concise collection of airlines posters from **Air France**, **Hawaiian Air**, **Japan Airlines**, **KLM**, **Pacific Southwest**, **Northwest Orient**, **SAS**, **Swissair** and **United Airlines** along with Tourism posters from Italy and Switzerland.

## MOVIES :

Another gigantic selection with 540 posters from all around the world: Belgium, (ex) Czechoslovakia, France, Germany, Poland, Spain, Sweden, the UK and the US with a very large contingent of Japanese posters (Samurai-Yakuza, Pinky, Kaiju, Animation-Disney-Kids...) as well as many complete Italian fotobusta sets and rare [limited edition prints](#). (Laurent Durieux, Ben Harman, Paul Mann, Tom Whalen...)

Particularly of note tens of rare posters of French movies (Belmondo, Delon, Bardot, Godard...) as well as from movies by/with Alfred Hitchcock, Audrey Hepburn, Clint Eastwood, Elvis Presley, John Wayne, Luchino Visconti, Raquel Welch, Romy Schneider, Sophia Loren, Steve McQueen, Sylvester Stallone as well as from the Gallery's favorite Genres: Blaxploitation, James Bond, Star Wars, Western...

Following is a sample of 20 posters - all elected for their iconic nature - among the 744 you will hopefully enjoy and purchase from the [NEW PRODUCTS](#) section.

Iconic, [Bullitt](#) certainly is - not only as one of the greatest Thrillers ever filmed but also due to its superb posters conceived for the movie release all around the world...including the Mod designed US half sheet featuring the *King Of Cool*, [Steve McQueen](#).

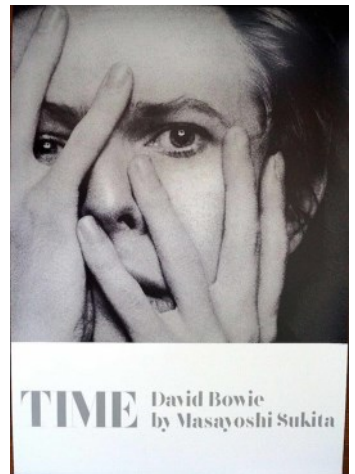

Mod Fashion and elegance hereby represented by the divine [Audrey Hepburn](#) on the ultra rare style B Japanese poster for the 1967 romantic comedy, [Two For the Road](#). I have only seen this poster twice in 12 years and this is the first time it is offered in the Gallery.

Iconic brand if there is one, [Levi's Jeans](#) do not need any introduction. However their early 1970's ads should be presented due to their incredible audacity and creativity including the cheeky one for the Bell Bottoms jeans conceived in 1971 by Ida Van Bladel.

[Raquel Welch](#) never appeared naked in any of her movies. She clearly didn't need to do so as her divine features were perfect for bikini wearing. Original large Japanese commercial poster for the 1971 rerelease of the spy comedy [Fathom](#).

Black and white tones have a way to reveal people's true beauty as shown with Raquel but also with [David Bowie](#) immortalized by Japanese photographer [Sukita](#) in 1977 on another large Japanese poster printed for the Time visual retrospective of the music icon

Black and white also reveal the Soul of Men. Actually Soul and Sweat for [James Brown](#) on one of his most beautiful concert posters (designed for his 1971 Berlin show) which I had never seen (other than reproduced in a book) in 25 years of avid collecting. ULTRA RARE!

From one iconic JB to another...From James Brown to James Bond with the magnificent large 2 panel (3 sheet) US poster designed by [Robert McGinnis](#) for the 1968 combo rerelease of [Thunderball and From Russia With Love](#) .

[Jean-Paul Belmondo](#) wears the suit/tuxedo as well as Sean Connery, particularly in my favorite Sixties movie of his, [L'homme de Rio](#). Very rare original Spanish poster already linen backed.

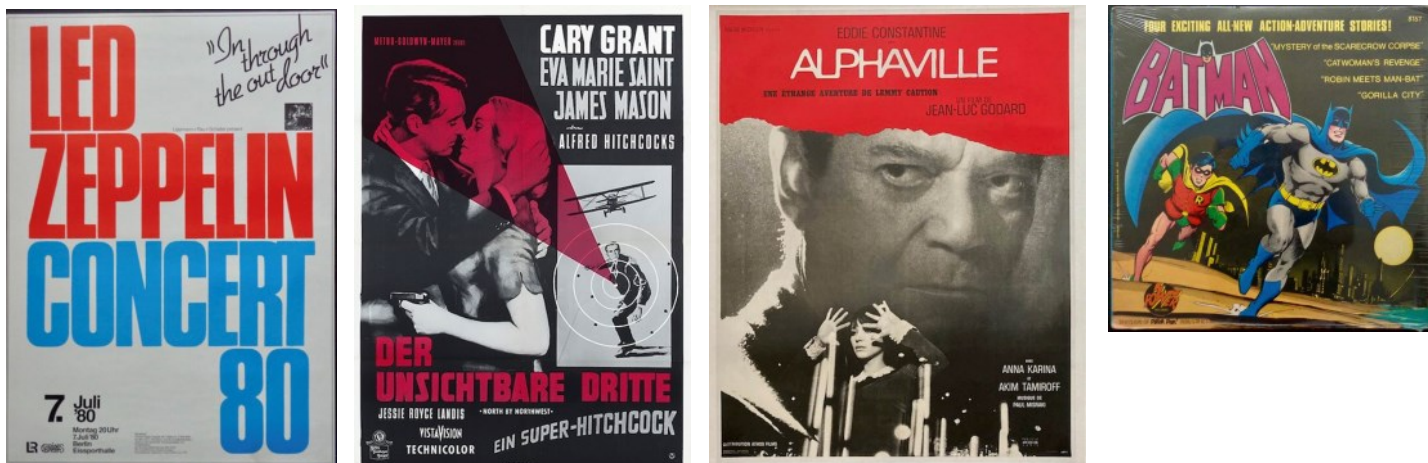

A Gallery worldwide exclusive, unavailable elsewhere - and if existing, not in this pristine condition - is the German poster for [Led Zeppelin](#)'s last ever concert played in Berlin in 1980 just before John Bonham's passing. As with the James Brown poster above, I had NEVER seen this poster offered in 25 years which also sports one of [Gunther Kieser](#)'s most simple and powerful designs.

We remain in Germany with the poster for [North By Northwest](#), one of [Alfred Hitchcock](#), greatest movies, printed for the 1966 rerelease.

Black and white Thriller with the original French poster for [Alphaville](#), the cult 1965 Crime/ Science-Fiction movie directed by [Jean-Luc Godard](#) starring [Eddie Constantine](#). The poster is already linen backed.

Batman is not a Superhero but a Detective as is Lemmy Caution. Here one the many Batman Vinyls added to the Collection. [Mystery Of the Scarecrow's Corpse](#), includes narrated stories of Batman and Robin. Cover by [Neal Adams](#), THE greatest Batman comic book Artist.

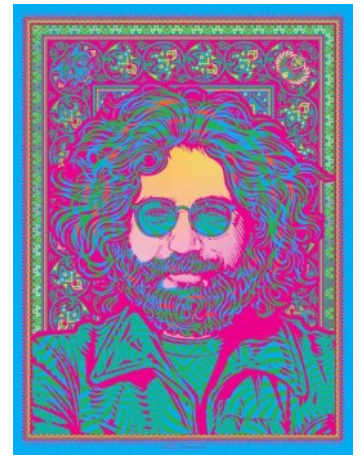

By 1966, Batman was the most famous Superhero due to the immense success of the TV série which spawned one of the kitschiest movies ever filmed, i.e. [Batman \(1966\)](#). Very rare original British poster painting the movie with the animated feature The Man Called Flintstone .

Cool Britannia! Fabulous Japanese commercial poster printed in 1972 with a super cool image of [The Beatles](#) in front of a large Union Jack flag.

Iconic and Col, [Humphrey Bogart](#), aka Bogey surely was. Great US commercial poster from 1968 featuring vivid day-glo like inks.

Another cool and iconic legendary character is Jerry Garcia, the defunct beloved leader of [The Grateful Dead](#). Brand new very limited edition print by [Todd Slater](#). This Variant print is titled St Stephen (we also offer two different Variant prints).

Another brand new very limited edition print - as stunning - is the one painted by [Paul Mann](#) revisiting [Kill Bill Vol.1](#) from [Quentin Tarantino](#). This print is the Variant edition and is hand signed by Paul Mann.

We stay in Japan paying tribute to one of its greatest Directors: [Seijun Suzuki](#), mastermind of several of The Sixties greatest Yakuza/Noir movies including [Gate Of Flesh \(Nikutai no mon\)](#) in 1964 starring [Jo Shishido](#). The original large 2 panel Italian poster style A is as gorgeous as impossible to find. Another Gallery exclusive.

Another large 2 panel Italian posters, as rare as it is iconic, thanks to [Renato Casaro's](#) painting, printed for the 1976 rerelease of [A Fistful Of Dollars](#) (Per un pugno di dollari), the first movie in *The Man With No Name* trilogy starring [Clint Eastwood](#).

We wave a short goodbye with the most beautiful icons designed by Mother Nature, i.e. women and bottoms, here cheekily magnified in color on the [large 2 panel Italian advertising poster](#) printed in 1972 and aimed at the German speaking market to promote Tourism in Northeastern part off the peninsula on the Adriatic coast.
