Even though it is still the hottest part of summer (in the U.S. and the northern hemisphere), you only have until August 29th to send consignments for our 26th Annual Halloween Auction!

It is so weird! Here in Missouri we are in the dead of summer, facing 90+ degree days almost every day. And yet **NOW** is the time to consign to our **26th Annual Halloween Auction!** Why? Because since our auctions run for 3 weeks, this year's Halloween Auction starts September 30th, October 2nd and 5th!

And yes, you read right! We would like to make this a 3 part auction, as we did the last two years, but we can only do this if we receive enough consignments to fill all 3 parts! This is harder this year because it starts early, and that means **our FINAL deadline to consign is August 29th.** If we don't receive enough to have a 3 part auction, it will instead be in one or two parts!

HOWEVER, SINCE WE HAVE OVER ONE THOUSAND TWO HUNDRED FIFTY ITEMS ALREADY ENTERED (with lots more arriving every day) **AND OVER A WEEK LEFT TO SEND, WE THINK WE WILL HAVE A THREE PART AUCTION AGAIN!**

If **YOU** have a horror/sci-fi collection and have considered selling it, **I do not believe you could do better** than to consign it now to this upcoming auction, when we have far and away the most (and best) buyers we have **EVER** had! **Don't delay, consign today!**

And please don't think you should wait to send consignments, because especially with this Halloween Auction we always receive tons of duplicated items! And we always go with the first one received (to be fair) so if you put off sending there is a good chance we may have already received what you were going to send from someone else!

Our August Major Auction is "in the books" and it was a major success compared to **VERY** lackluster results at other auctions. This, combined with our charging so much less than any other major auction (see the separate section below for absolute proof of this!) is why eMoviePoster.com is the **ONLY** place you should consider consigning your

YOU MUST READ THIS BEFORE CONSIGNING! Unlike our other major auctions, we will accept any horror/sci-fi/fantasy items for this Halloween Auction **AS LONG AS LONG AS** they are solidly \$50+ (in nice condition) or \$100+ (in lesser condition). And we do "stretch the rules" slightly to include James Bond and Star Wars, because they are so popular. And speaking of popular, we **REALLY** want lots of 1970s and 1980s drive-in stuff, which is doing so very well lately!

And we have made one very important change to consigning. We have had the rule about \$50+ (in nice condition) or \$100+ (in lesser condition) for over 5 months now, and it is working out great, getting low value items out of our auctions. **AND ALSO KNOW THAT LINENBACKED ITEMS MUST BE SOLIDLY \$100+ (in nice condition), and solidly \$200+ in lesser condition.**

Our last several major auctions have had 100 or 200 much lesser posters that were solely included because they were linenbacked, and we don't want this anymore **AT ALL**. So bear **ALL** our minimums in mind before sending consignments for our 26th Annual Halloween Auction!

We are SO busy that, even though we have entered over 1,250 items for this 26th Annual Halloween Auction, we solely had time to throw together 3 promo ads with 14 lobby cards and 3 posters. As things get less hectic here, we will add several more promo ads!

It is also NOW time to consign to our December Major Auction!

Given the sensational results of our **August Major Auction** I can't see why **ANYONE** with quality items they have considered consigning would not want to have them included in this very special auction! And unlike every other major auction we **DON'T** have a big stack of supposedly sold items here to put back into auction, so we are "starting from scratch", just like always (the 9 items pictured here are among the very

We have made one very important change to consigning. We have had the rule about \$50+ (in nice condition) or \$100+ (in lesser condition) for over 5 months now, and it is working out great, getting low value items out of our auctions. THE CHANGE IS THAT LINENBACKED ITEMS MUST BE SOLIDLY \$100+ (in nice condition), and solidly \$200+ in lesser condition.

Our last several major auctions have had 100 or 200 much lesser posters that were solely included because they were linenbacked, and we don't want this anymore **AT ALL**. So bear this in mind before sending consignments.

And know that what we DO want is really rare and desirable items, like the ones our August Major Auction was full of! If you have items you think make sense, contact us today with what you have, and you may see your items in our next preview ad!

So don't delay, consign today (of email us about what you have). We quickly threw together the below first three promo ads, but please know we already have lots of other excellent items consigned, with more arriving every day!

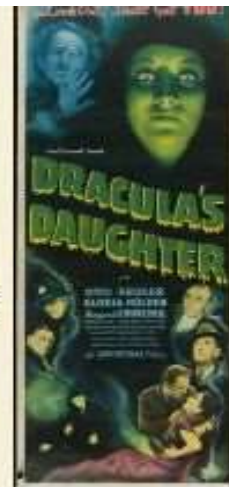

Our great August Major Auction had exceptional results!

Our **August Major Auction** is "in the books" and below is an image with the top 12 results. But you can see **EVERY** result (not just the top results, as so many auctions like to deceptively do) at this link: <https://www.emovieposter.com/agallery/sort/4/16.html>

And if you look at the image, you can see that we had a **LOT** of spectacular results! And you can also see that 10 different buyers bought those 12 items. The reason you can see this is because we are the **ONLY** major auction that doesn't hide the winning bidder IDs from our bidders. The auction took in \$438,235.00, bringing our year to date total to \$3,428,645.00. And these are all **REAL** sales, something no other major

PLEASE DON'T JUST LOOK AT THE TOP 12 BELOW! ALSO CLICK [HERE](https://www.emovieposter.com/agallery/sort/4/16.html) TO VIEW ALL THE RESULTS OF THIS WONDERFUL AUCTION IN OUR GALLERY FORMAT (or go to <https://www.emovieposter.com/agallery/sort/4/16.html>)!

GIVEN OUR SENSATIONAL RESULTS (and the very lackluster ones at competing "major" auctions), and given that we charge **SO** much lower commissions than **EVERY** other auction, we can't see why **ANYONE** would consign anywhere else than with eMoviePoster.com!

You might **THINK** that "consigning to auctions" is pretty much the same, and that how much money you receive is pretty much "the luck of the draw". But nothing could be further from the truth!

We at eMoviePoster.com charge SO incredibly less than EVERY other auction (at all price levels) that the difference in what WE pay our consignors and what other auctions pay to their consignors can be downright mind-blowing!

Above are **FOUR** wonderful examples of just how great the difference can be, using two actual pairs of posters WE sold, and another auction sold, just days apart.

And this is not solely true with super expensive items! We take **FAR** lower commissions at **EVERY** selling price across the board! Please go to <https://www.emovieposter.com/learnmore/?page=consign> for a complete and transparent explanation of exactly how consigning to us works! **And we CLEARLY state exactly what we charge at every price level, something you can't find at any other major auction site.**

So if YOU have posters or movie paper of any kind to auction, realize that there is an excellent chance you will receive FAR more for those posters, EVEN IF THEY SELL FOR AROUND THE SAME PRICE AT EITHER AUCTION! When you add in that eMoviePoster.com is the most trusted auction there is (with 35 years and \$123 million in REAL sales) is there ANY doubt which auction you should consign your most valued posters to?

This Month's Showcase

Alfred Hitchcock – The Master of Suspense

For our current Alfred Hitchcock showcase, we are delighted to offer a superb one owner collection of nearly 100 original cinema posters from his films. Some of these are very rare, some are very valuable but they're all a fascinating part of the Hitchcock legacy.

Sir Alfred Joseph Hitchcock KBE was a British film director and producer, often referred to as "The Master of Suspense" due to his mastery of the suspense thriller genre.

In a career spanning six decades he directed over fifty feature films starting in the British film industry in the 1920s as a title designer before progressing to become a director. He directed 23 films during the first phase of his career in England, including *Blackmail* (1929), one of the early British sound films. By the late 1930s, his profile was rising internationally, and he moved to Hollywood in 1939 before embarking on the most successful phase of his career, directing films including *Psycho*, *The Birds*, *North By Northwest*, *Rear Window*, *Vertigo* and *To Catch a Thief*. There were many more and he left behind an extraordinary legacy that few other directors can even approach.

Hitchcock is seen today as a director who managed to combine art and entertainment in a way very few have ever matched. His innovations and vision have influenced a great number of filmmakers, producers and actors. He remains by far the most-studied film director of all time.

Please note: Bear in mind that I'm always looking for collections to sell on consignment. If you are considering selling, get in touch on [07971 797386](tel:07971797386). The returns to you are typically 50% higher than selling at auction after all the fees are taken into account (look in my [FAQ section](#) for an explanation of how the numbers work) so it's a no brainer if you're not in a hurry.

THE 2025 SUMMER POSTER COLLECTION IS [HERE](#)

Dear Posterophiles

[You can go straight to the BLOG here](#)

Check ALL the amazing Elvis posters selected in the Blog by clicking on the link above.

New EBAY clients: Thank you for **Always contacting me here directly as you will not be charged Sales Taxes (except NY AND CA residents - please contact me first)** nor international VAT as well as having a larger choice of posters available.

SHIPPING: Most shipments are done via UPS within the US (except PO Boxes) and via USPS for all international destinations. Insurance is mandatory for all international shipments and will be added after purchase based on the value of the poster(s).

Last week, on August 16th, we mourned the 48th anniversary of the passing of [ELVIS PRESLEY](#).

He would have been 90 years old this year.

The point of this short introduction is not to make an elegy of the King but to display how a true worldwide icon/superstar he was all over the globe.

Not because he stepped outside the US and Canada (he didn't other than when he was stationed in Germany during his military service) and therefore never played any shows anywhere aside from the 2 aforementioned countries.

However and thanks to his incredible cinematographic output between 1956 and 1969 - with no less than 31 movies - Elvis was constantly present in the worldwide audience's ears, mind and eyes.

The quality of the movies is not to be discussed here BUT the quality of the movie posters designed and printed around the world represent one of the best graphic output ever assembled.

THIS WEEK'S BLOG [\(click here\)](#) - in 10 separate entries - showcase some of Elvis most incredible posters from countries as diverse as Belgium, Denmark, France, Germany, Italy, Japan, Sweden, the UK and the US. All are gathered by nationalities and must be seen as a visual oeuvre ready to create a collection as movie posters should be seen and enjoyed.

Here's just one of them you will find in the Blog: the double sided gatefold Japanese Press poster for [Paradise Hawaiian Style](#).

WHAT'S NEW THIS WEEK?

* **NEW ITEMS:** The **2025 SUMMER COLLECTION** with its 631 items is available in the [NEW PRODUCTS section](#).

* Here's a new, very diverse selection of 20 posters with posters from all around the world. **NEW ITEMS:** The **2025 SUMMER COLLECTION** with its 631 items is available in the [NEW PRODUCTS section](#).

We start with [Marilyn Monroe](#), another global icon from the 1950's. Here she is curvy and glowing on the very rare double sided Japanese Press poster for the 1963 documentary edited after her passing, simply titled [Marilyn](#).

Here's a new very diverse selection of 20 posters with posters from all around the world.

There are two versions of this poster existing. This one, measuring 10x26 inches and another one without the ads for The Leopard and Cleopatra which measure 10x29 inches.

Another sublime woman from the same golden era is [Sophia Loren](#). The costumes designed by French fashion giant Pierre Balmain for the 1960 British comedy [The Millionairess](#) make her look like a billion dollars. Very rare original German poster designed by [Bruno Rehak](#).

Gazing in the eyes of a seductive woman can be lethal. That's the way [The Cars](#) wanted you to feel before attending their concert in 1980 in Columbia, Maryland.

More than dangerous, just plain scary and crazy...That was the impossible mission assigned to [Kurt Russell](#), aka Snake Plissken in [Escape From New York](#), one of the best adventure / apocalyptic movies ever made. The original US half sheet is very hard to find, especially rolled. Art by Barry E. Jackson.

More futuristic and apocalyptic world with the first episode of the [Mad Max](#) saga. The style B Japanese poster is extremely hard to find.

Violence, angst, passion and drama...as well as incredibly powerful melodies and playing are common traits of [The Who](#)'s music. The remaining original members, Roger Daltrey and Pete Townshend just embarked on their 'last farewell tour' and despite being octogenarians they still deliver both on vocals and guitar pyrotechnics proving they still are the greatest Rock band ever. Here they are at their peak in 1971 with the rare original US Tour promotional poster. Design by Judy Haas.

The 60's were an era touched by grace especially for the Arts and graphic design. Proof with this beautiful insert poster for [Revolution](#), the little known 1968 Musical documentary movie about the psychedelic west coast scene.

A quieter revolution also from the West Coast was the Surf movement gracing the coats of California and Hawaii. Superb one sheet poster for the 1968 thriller, [Kona Coast](#).

As far as thrillers go, it's difficult to surpass the grittiness and violence of one of the best movies of the genre - thanks to [Lee Marvin](#)'s impressive acting - [Point Blank](#). Ultra rare original British poster with Day-Glo inks.

One of the most violent bands on stage is undoubtedly [MC5](#), the pride of the Detroit Rock scene. Ultra rare original poster designed (and hand signed) by [Gary Grimshaw](#) for the band's shows at the Grande Ballroom in January 1967.

More urban violence with one of Blaxploitation's classics, i.e. [Cleopatra And The Casino Of Gold](#). The half sheet poster is very hard to find. Art by [Robert Tanenbaum](#).

Back To School is in many parents and kids/teens' minds. They are indeed hoping to enjoy great classmates such as [Marsha Jordan](#) in [College Girls](#). Original US poster for the 1970 Sexploitation movie.

For the football lovers among you, I can only recommend (re) watching [Victory \(Escape To Victory\)](#), the 1981 All-star WW2 football movie with Michael Caine, Pele, Sylvester Stallone and Max Von Sydow. All featured on the ultra rare set of 4 British posters (sold separately).

More James Bond rarities with the original style B Japanese AD movie poster for the first movie of the series, [Dr. No](#). A Gallery exclusive.

[Lone Wolf And Cub](#) is another legendary movie series that is a must watch if you love Samurai movies. I have had nearly all the posters for the 6 movies but never owned the stills set till now with 4 sets of out the 6 movies including the complete one for Sword Of Vengeance.

Marvel Comics heroes appeared in several psychedelic era Rock posters. The rarest of them all is the one for [The Sons Of Champlin's](#) 1969 San Diego concert featuring The Hulk by Herb Trimpe and Marie Severin. Another Gallery exclusive.

A magnificent design by Polish designers, Maria Ihnatowicz & Andrzej Krajewski, for the first original local release of [Hud](#), the 1963 drama starring [Paul Newman](#).

Another hatted superstar is [Jean-Paul Belmondo](#) in [100,000 dollars au soleil \(Greed In The Sun\)](#), the 1963 French heist adventure classic. The movie was rereleased in 1971 in Italy on the back of Borsalino's success but the distributors messed up the credits making Jean-Pierre Melville the Director instead of Henri Verneuil!!!! A rarity and must have for Belmondo fans. Art by [Luciano 'Luca' Crovato](#).

With no logical segue, we head to Japan, a land which incredibly mixes the highest level of beauty and refinement and the most depraved sexual perversions!!!! Rare Japanese poster for the 1984 Pinky Bondage movie aptly titled [Sexual Abuse!!!](#)

I personally much prefer the charms and quiet pomp of the Japanese ancestral rituals as the ones displayed in the flower ceremonies which is the subject of this mid 1970's [Japan Airlines](#) original poster.

RECENT RESTORATIONS

We have restored our 400th poster!

EXPERIENCE

I have been linen backing for over two years, after I retired. I have completed over 100 poster restorations for Morris Everett. I started this business with the help of Morris. He gave me posters to learn the process; and once perfected, I gained his confidence to back his poster collection. I was an executive manager because of my constant process improvement skills and transferred those skills in my linen backing business.

PROCESS

With regards to linen backing. I linen back using conservation techniques. What does that mean? It means I wash EVERY poster, first step is to deacidfy, this opens up the paper fibers to allow the paper bleach to remove stains, toning, water damage, etc. The poster is then mounted on acid free Japanese paper, and 12oz. Canvas. Once dry the poster is then touched up with water color pencils. The process is fully reversible.

PRICING

I have set up my pricing so that almost any poster can be linen backed. My pricing includes a full bath (photo on right shows water after a poster bath) and deacidification of the poster. It includes a light bleaching to remove the mold, and toning to bring back the colors and the whiteness of the paper, then a PH balance bath to neatralize the paper. The poster is then mounted on acid free Japanese Masa paper and mounted on 12 oz. cotton backing. The price also includes minor tape removal, and water color touch ups along the fold lines. All anyone has to do is contact me for pricing.
